# Itel ITW-60 Truly Wireless Bluetooth Earphones User Manual

Model: ITW-60

## 1. INTRODUCTION

Thank you for choosing the Itel ITW-60 Truly Wireless Bluetooth Earphones. This manual provides essential information for the proper use, setup, and maintenance of your device. Please read it carefully before use to ensure optimal performance and longevity.

The Itel ITW-60 earphones are designed to deliver a superior sound experience with high-fidelity audio, deep bass, natural mids, and clear treble. They feature adaptable controls for music, calls, and voice assistant functions, and are built for comfort and extended use.

## 2. PACKAGE CONTENTS

Ensure all items listed below are present in your product packaging:

- 2 x Itel ITW-60 Wireless Earbuds (Left and Right)
- 1 x Charging Case
- 1 x USB Charging Cable
- 1 x User Manual (this document)

## 3. PRODUCT OVERVIEW

The Itel ITW-60 consists of two wireless earbuds and a portable charging case. The earbuds fit comfortably in your ear, providing a secure listening experience. The charging case protects the earbuds and recharges them on the go.

## 4. SETUP

## 4.1. Charging the Earbuds and Case

- Initial Charge:** Before first use, fully charge the charging case and earbuds. Place the earbuds into the charging case.
- Charging the Case:** Connect the supplied USB charging cable to the charging port on the case and the other end to a USB power adapter (not included) or a computer USB port. The indicator lights on the case will show charging status.
- Charging the Earbuds:** When the earbuds are placed in the charging case, they will automatically begin charging. The indicator lights on the earbuds will show their charging status. A full charge provides approximately 20-24 hours of working time with the charging case.

## 4.2. Pairing with a Bluetooth Device

- Power On:** Open the charging case. The earbuds will automatically power on and enter pairing mode. You may hear an audible prompt.
- Activate Bluetooth:** On your smartphone or other Bluetooth-enabled device, enable Bluetooth.
- Select Device:** In your device's Bluetooth settings, search for available devices. Select "ITW-60" from the list.
- Confirmation:** Once connected, you will hear a confirmation tone, and the earbuds' indicator lights may change. The earbuds are now ready for use.
- Reconnection:** After initial pairing, the earbuds will automatically connect to the last paired device when removed from the charging case and Bluetooth is active on your device.

## 5. OPERATING INSTRUCTIONS

The Itel ITW-60 earphones feature touch controls for various functions.

### 5.1. Power On/Off

- Power On:** Open the charging case, and the earbuds will power on automatically. Alternatively, press and hold the touch area on both earbuds for approximately 3 seconds.
- Power Off:** Place the earbuds back into the charging case and close the lid. They will power off automatically. Alternatively, press and hold the touch area on both earbuds for approximately 5 seconds.

### 5.2. Music Playback

- Play/Pause:** Tap the touch area on either earbud once.
- Next Track:** Double-tap the touch area on the right earbud.
- Previous Track:** Double-tap the touch area on the left earbud.

### 5.3. Call Management

- Answer/End Call:** Tap the touch area on either earbud once.
- Reject Call:** Press and hold the touch area on either earbud for approximately 2 seconds.

### 5.4. Voice Assistant

- Activate Voice Assistant:** Triple-tap the touch area on either earbud.

## 6. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your Itel ITW-60 earphones.

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earbuds and charging case. Do not use harsh chemicals, cleaning solvents, or strong detergents.
- **Water Exposure:** The earbuds are not waterproof. Avoid exposure to water, moisture, or excessive humidity.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place.
- **Battery Care:** To preserve battery life, avoid fully discharging the battery frequently. Charge the device regularly, even if not in constant use.

## 7. TROUBLESHOOTING

If you encounter issues with your Itel ITW-60 earphones, refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing	<ul style="list-style-type: none"><li>• Ensure earbuds are charged.</li><li>• Turn off and on Bluetooth on your device.</li><li>• Forget "ITW-60" from your device's Bluetooth list and re-pair.</li><li>• Ensure earbuds are in pairing mode (indicator lights flashing).</li></ul>
No sound from one earbud	<ul style="list-style-type: none"><li>• Place both earbuds back into the charging case, close the lid, then open again to reset.</li><li>• Check individual earbud charge levels.</li></ul>
Charging case not charging	<ul style="list-style-type: none"><li>• Ensure the USB cable is securely connected to both the case and the power source.</li><li>• Try a different USB cable or power adapter.</li></ul>
Bluetooth connection drops frequently	<ul style="list-style-type: none"><li>• Ensure your device is within the 10-meter operating range.</li><li>• Minimize obstacles between the earbuds and your device.</li><li>• Avoid strong electromagnetic interference.</li></ul>
