Bonrcea Wooden Baby Playpen Instruction Manual

Model: SDLGABC001

1. INTRODUCTION

This manual provides essential instructions for the safe assembly, operation, and maintenance of your Bonrcea Wooden Baby Playpen. Please read all instructions carefully before use and retain this manual for future reference.

Safety Warnings

- Always supervise children when they are inside the playpen.
- Ensure all parts are correctly assembled and securely fastened before placing a child inside.
- Do not allow children to climb on the playpen.
- Regularly inspect the playpen for any damaged or loose parts. Discontinue use if any damage is found.
- Keep small objects and choking hazards out of the play area.
- This playpen is designed for children who cannot climb out and are within the recommended weight limit.

2. COMPONENTS

Before assembly, verify that all components are present and undamaged. The Bonrcea Wooden Baby Playpen (Model SDLGABC001) typically includes the following parts:

- Wooden Panels (8 pieces, including one gate panel)
- Blue Plastic Connectors (for corners and straight connections)
- Screws and Allen Wrench (for securing connectors)
- Anti-slip Pads (for the bottom of the playpen)

Growth Toddler Play Pen

This is more than just a playard—it's where kids learn balance, courage, and independence. Every giggle, every wobble, every little reach happens safely right beside you.

Image 2.1: Overview of playpen components.

The playpen is constructed from natural New Zealand pine wood, which is hand-sanded smooth and free from chemical coatings, ensuring a non-toxic and water-resistant surface.

3. SETUP AND ASSEMBLY

Assembly of the Bonrcea Wooden Baby Playpen is designed to be straightforward, typically requiring 1-2 adults and about 15 minutes. Follow these steps for proper setup:

1. Unpack all components and verify against the components list.
2. Lay out the wooden panels in your desired configuration. The playpen can be customized into various shapes.
3. Attach the blue plastic connectors to the ends of the panels. Ensure the connectors are firmly seated.
4. Use the provided screws and Allen wrench to secure the panels to the connectors. Make sure all screws are tightened to prevent wobbling.
5. For the gate panel, ensure it is installed correctly to allow for smooth opening and secure closing.

6. Apply the anti-slip pads to the bottom of the playpen corners and along the base of the panels to prevent movement and protect flooring.

4. OPERATING INSTRUCTIONS

The Bonrcea Wooden Baby Playpen provides a secure and visible play area for your child. Its design allows for 360-degree visibility, enabling easy supervision.

Gate Operation

The playpen features a safety gate designed to be secure against accidental opening by children. To open the gate:

1. Locate the locking mechanism on the gate panel.
2. Pull the trigger or slide the latch to disengage the lock.
3. Gently push the gate open.

To close the gate, simply push it back into position until the locking mechanism engages securely. Always ensure the gate is properly latched when a child is inside the playpen.

General Use

- The playpen is suitable for indoor and outdoor use. When used outdoors, ensure it is placed on a flat, stable surface and protected from extreme weather conditions.
- The 24-inch height is designed to allow toddlers to safely learn to stand and walk while preventing them from

climbing out.

- The well-spaced bars are designed to prevent fingers or toes from getting trapped.

5. MAINTENANCE AND CARE

Proper maintenance will ensure the longevity and safety of your Bonrcea Wooden Baby Playpen.

- **Cleaning:** Wipe down wooden surfaces with a damp cloth and mild soap if necessary. Avoid harsh chemicals or abrasive cleaners that could damage the wood finish. Dry immediately after cleaning.
- **Inspection:** Regularly check all connectors, screws, and wooden panels for any signs of wear, damage, or loosening. Tighten any loose screws promptly.
- **Storage:** When not in use, the playpen can be disassembled for compact storage. Store in a dry place away from direct sunlight and extreme temperatures to prevent wood warping or damage.

6. TROUBLESHOOTING

If you encounter any issues with your Bonrcea Wooden Baby Playpen, refer to the following common solutions:

Problem	Possible Cause	Solution
Playpen feels unstable or wobbly.	Loose connectors or screws.	Ensure all blue plastic connectors are fully engaged and all screws are tightened with the Allen wrench.
Gate does not open or close smoothly.	Misalignment or obstruction in the latch mechanism.	Check for any debris or misalignment. Ensure the gate panel is correctly installed and not obstructed.
Missing parts during unboxing.	Packaging error.	Contact Bonrcea customer support with your purchase details for assistance.
