Zinus FSPB-F

Zinus Lottie Upholstered Platform Bed Frame

MODEL: FSPB-F | BRAND: ZINUS

Introduction

This manual provides detailed instructions for the assembly, care, and maintenance of your Zinus Lottie Upholstered Platform Bed Frame. This bed frame is designed to offer stable mattress support without the need for a box spring, featuring a durable steel and wood frame with an upholstered headboard.

Safety Information

- **Weight Limit:** Do not exceed the maximum weight limit of 700 lbs. (For Twin size, the limit is 350 lbs).
- **Assembly:** Always follow the assembly instructions carefully to prevent instability or collapse.
- **Children:** Keep small parts away from children during assembly.

Package Contents

All necessary parts, tools, and instructions for assembly are conveniently packed within a zippered compartment located in the back of the headboard. Please ensure all components are present before beginning assembly.

Setup and Assembly

The Zinus Lottie Platform Bed Frame is designed for easy assembly, typically requiring two people and less than an hour. An Allen wrench is included for your convenience. Follow the step-by-step instructions provided in the packaging.

1. Unzip the compartment in the back of the headboard and remove all parts and tools.
2. Assemble the headboard and footboard sections.
3. Attach the side rails to the headboard and footboard. Ensure all screws are initially loose to allow for adjustment, then tighten securely.
4. Install the center support legs.
5. Unroll the wooden slats, which are connected by Velcro, and place them onto the bed frame. Press down firmly to ensure the Velcro adheres properly, preventing movement of the slats.
6. Place your mattress directly onto the assembled slat foundation. No box spring is required.

Maintenance

- **Fabric Care:** The upholstered fabric should be dry cleaned only.
- **Frame Inspection:** Periodically check all fasteners and connections to ensure they remain tight and secure. Tighten as needed to maintain stability.
- **Cleaning:** For general cleaning of the frame, wipe with a damp cloth and mild detergent. Avoid harsh chemicals.
