TROUBLESHOOTING

Q: What should I do if there's no signal?

A: RoamWiFi operates on AT&T, Verizon, and T-Mobile networks in the US. It can be used wherever these carriers provide coverage. If you experience network connectivity issues, please contact customer support for remote troubleshooting assistance.

Q: What are the data allowances and validity periods included in the plans?

A: The device comes with various data package options. For example, a common built-in plan includes 10GB/30 Days US data plus 1GB global data. Other options like 1GB/30 Days US, 50GB/60 Days US + 1GB Global, and 100GB/90 Days US + 1GB Global are available. *Note: GB/Days means whichever comes first when activated by first use.

TECHNICAL SPECIFICATIONS
