SETUP

Charging the Speaker

Before first use, fully charge the speaker. Connect the provided USB charging cable to the DC Charging Port on the speaker and the other end to a standard USB power adapter (not included) or a computer's USB port.

The charging indicator light will provide feedback on the charging status. Refer to the "Button Function" diagram for the location of the DC Charging Port.

Button Function

OPERATING INSTRUCTIONS

Power On/Off

- To power on, press and hold the Multifunction Button until you hear an audible prompt.
- To power off, press and hold the Multifunction Button again until the speaker shuts down.

Bluetooth Pairing

1. Ensure the speaker is powered on and in pairing mode (indicated by a flashing LED light).
2. On your Bluetooth-enabled device (smartphone, tablet, etc.), navigate to the Bluetooth settings.
3. Search for available devices and select "KingSom BT601" (or similar name) from the list.
4. Once paired, the speaker will provide an audible confirmation, and the LED light will change to a steady state.

The speaker can maintain a Bluetooth connection up to 15 meters (49 feet) away from your device.

Music Playback Control

- **Play/Pause:** Press the Multifunction Button once.
- **Next Track:** Press the "Vol+/Next" button once.
- **Previous Track:** Press the "Vol-/Previous" button once.
- **Volume Up:** Press and hold the "Vol+/Next" button.
- **Volume Down:** Press and hold the "Vol-/Previous" button.

Hands-Free Calling

The built-in microphone allows for hands-free communication when connected to your smartphone.

- **Answer Call:** Press the Multifunction Button once when a call comes in.
- **End Call:** Press the Multifunction Button once during a call.

- **Reject Call:** Press and hold the Multifunction Button when a call comes in.

MAINTENANCE

- Cleaning:** Wipe the speaker with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- Drying:** After use in water, ensure the speaker is thoroughly dried, especially around the charging port, before charging or storing.
- Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the speaker regularly, even if not in use for extended periods.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Speaker does not turn on.	Battery is depleted.	Charge the speaker using the provided USB cable.
Cannot pair with Bluetooth device.	Bluetooth is not enabled on your device. Speaker is too far from the device. Speaker is already paired with another device.	Ensure Bluetooth is on. Move speaker closer (within 15m). Disconnect from other devices or restart speaker.
No sound or distorted sound.	Volume is too low. Speaker is out of Bluetooth range. Water in speaker grille (if recently submerged).	Increase volume on speaker and device. Move speaker closer to device. Shake out excess water and allow to air dry.
LED lights not working.	Light mode is off or stuck. Battery is low.	Press the Light Mode Button to cycle modes. Charge the speaker.

WARRANTY AND SUPPORT

The KingSom Pool Bluetooth Speaker comes with a **Limited Warranty**. For specific details regarding warranty coverage and duration, please refer to the warranty information provided with your purchase documentation or contact KingSom customer support.

If you encounter any issues or have questions regarding your speaker, please contact KingSom customer support for assistance. We are committed to resolving any problems you may experience with our product.

Contact information for KingSom support can typically be found on the product packaging, the official KingSom website, or through your purchase platform (e.g., Amazon seller page).

For purchases made on Amazon, you can visit the [KingSom Store on Amazon](#) or contact the seller "KingSomDirect" via

your order details for support.
