HOMCOM 801-112V80BK

HOMCOM Kitchen Island Cart

MODEL: 801-112V80BK

Instruction Manual

Important Safety Information

Please read and understand all instructions before assembly and use of this product. Failure to follow these instructions may result in injury or damage.

- Keep all small parts and packaging materials away from children and pets.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all connections are secure before using the cart. Periodically check and tighten fasteners.
- Do not overload the cart. Refer to the specifications for weight capacities.
- Use the wheel brakes to secure the cart when stationary to prevent accidental movement.
- This product is intended for indoor use only.

Parts List

Before beginning assembly, ensure all parts are present and undamaged. If any parts are missing or damaged, contact customer support.

Part	Description	Quantity
A	Top Panel (Rubberwood Tabletop)	1
B	Side Panels	2
C	Bottom Panel	1
D	Back Panel	1
E	Drawer Assembly	1
F	Cabinet Doors	2

Part	Description	Quantity
G	Adjustable Shelf	1
H	Towel Rack	1
I	Casters (Wheels)	4 (2 with brakes)
J	Hardware Pack (Screws, Dowels, Hinges, Handles, etc.)	1 set

Assembly Instructions

Estimated assembly time: 90 minutes for two people. Tools required: Phillips head screwdriver, hammer (optional, for dowels).

- 1. Unpack and Identify:** Carefully unpack all components and hardware. Lay them out on a clean, soft surface. Refer to the Parts List to identify each piece.
- 2. Attach Casters:** Secure the four casters (I) to the bottom panel (C) using the provided screws. Ensure the two casters with brakes are positioned on the front side for easy access.

Figure 1: Detail of the universal wheels with 360-degree rotation and brake mechanism.

3. **Assemble Base Frame:** Attach the side panels (B) and back panel (D) to the bottom panel (C) using the appropriate hardware (e.g., cam locks, dowels, screws). Follow the numerical sequence in the detailed diagram provided in your physical manual.
4. **Install Drawer Slides:** Attach the drawer slides to the interior of the side panels (B) as indicated in the instructions. Ensure they are level and aligned.
5. **Assemble Drawer:** Construct the drawer assembly (E) by connecting its front, back, and side pieces. Insert the drawer bottom. Attach the drawer pull handle.
6. **Insert Drawer:** Carefully slide the assembled drawer (E) onto the installed drawer slides. Test for smooth operation.

Figure 2: The spacious drawer provides convenient storage for utensils.

7. **Attach Top Panel:** Secure the top panel (A) to the assembled frame using the designated hardware.
8. **Install Cabinet Doors:** Attach the hinges to the cabinet doors (F) and then secure the doors to the main frame. Adjust hinges as needed for proper alignment and closure. Attach door handles.
9. **Install Adjustable Shelf:** Place the adjustable shelf (G) inside the cabinet. Use the shelf pins to set it at your desired height.

Figure 3: The adjustable shelf allows for customized storage space within the cabinet.

10. **Attach Towel Rack:** Secure the towel rack (H) to the side of the cart using the provided hardware.
11. **Final Check:** Verify that all screws and fasteners are tight. Ensure the cart is stable and all moving parts (drawer, doors, wheels) operate smoothly.

Figure 4: The HOMCOM Kitchen Island Cart fully assembled.

Operating Instructions

- **Moving the Cart:** To move the cart, release the brakes on the two locking casters. Gently push or pull the cart to its desired location. The towel rack can also serve as a convenient handle for transport.
- **Securing the Cart:** Once the cart is in position, engage the brakes on the two locking casters to prevent unintended movement.
- **Using the Drawer:** Pull the drawer handle to open and push to close. The drawer is suitable for storing smaller kitchen items like utensils or linens.
- **Accessing the Cabinet:** Open the two cabinet doors to access the interior storage space. The adjustable shelf can be repositioned to accommodate items of various heights.
- **Utilizing the Towel Rack:** Hang kitchen towels or other small items on the side-mounted towel rack for easy access.

Figure 5: Overview of the cart's storage features, including the drawer, cabinet, and towel rack.

Maintenance and Care

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish. For the rubberwood tabletop, use a mild wood cleaner if necessary, and dry immediately.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood and engineered wood surfaces.
- **Hardware Check:** Periodically check all screws, bolts, and fasteners to ensure they remain tight. Tighten as needed to maintain stability.
- **Caster Maintenance:** Keep caster wheels free of debris (hair, dust) to ensure smooth rolling. Lubricate if necessary.
- **Avoid Extreme Conditions:** Do not expose the cart to extreme temperatures, direct sunlight for prolonged periods, or high humidity, as this may cause warping or damage to the materials.

RUBBERWOOD TABLETOP

Figure 6: The rubberwood tabletop is designed for easy cleaning.

Troubleshooting

Problem	Possible Cause	Solution
Cart is wobbly or unstable.	Loose fasteners or uneven assembly.	Check and tighten all screws and bolts. Ensure the cart is on a level surface. Re-check assembly steps if necessary.
Drawer sticks or does not slide smoothly.	Misaligned drawer slides or debris in tracks.	Remove the drawer and inspect the slides for alignment. Clear any debris from the tracks. A small amount of silicone lubricant can be applied to the slides.
Cabinet doors do not close properly or are misaligned.	Loose hinges or improper hinge adjustment.	Tighten hinge screws. Adjust the hinge screws to align the doors. Refer to the assembly instructions for hinge adjustment details.

Problem	Possible Cause	Solution
Caster wheels do not roll freely or brakes are ineffective.	Debris caught in wheels or brake mechanism.	Clear any hair, dust, or debris from the wheels and brake mechanism. Ensure brakes are fully engaged or disengaged as intended.

Specifications

Feature	Detail
Model Number	801-112V80BK
Overall Dimensions (W x D x H)	32.75" x 17.75" x 36"
Overall Weight Capacity	110 lbs
Drawer Weight Capacity	6.6 lbs
Shelf Weight Capacity	22 lbs
Material	Engineered Wood, Rubberwood (Tabletop)
Color	Black
Assembly Required	Yes
Number of Shelves	1 (adjustable)
Features	1 Drawer, 2-Door Cabinet, Towel Rack, 4 Rolling Casters (2 with brakes)
