JEKCA Maltese 01S Dog Plastic Building Blocks Instruction Manual

INTRODUCTION

Welcome to the JEKCA Maltese 01S Dog Plastic Building Blocks instruction manual. This guide provides essential information for the assembly, care, and maintenance of your JEKCA model. JEKCA building blocks utilize a unique interlocking brick-through system, ensuring a sturdy and durable final structure. Please read through this manual carefully before beginning assembly.

WHAT'S IN THE BOX

Before you begin, please verify that all components are present in your package:

- Instruction Manual
- Bricks (over 1140 pieces)
- Pins
- Pin Driver
- Quick Guide

SAFETY INFORMATION

This product is recommended for individuals aged 14 years and up. It contains small parts which may pose a choking hazard for younger children. Adult supervision is advised for younger users. Keep all packaging materials away from children.

ASSEMBLY INSTRUCTIONS

The JEKCA building system utilizes a patented interlocking brick-through technology for a secure and stable construction. Follow the general steps below, and refer to the detailed **Instruction Manual** included in your box for model-specific guidance.

General Assembly Steps:

1. **Connect Bricks:** Place the JEKCA bricks together according to the manual's diagrams.
2. **Insert Pins:** Use the provided Pin Driver to insert the specialized pins through the designated holes in the bricks.
3. **Secure Pins:** Turn the Pin Driver 90 degrees to lock the pins in place, creating a strong, interlocking connection.

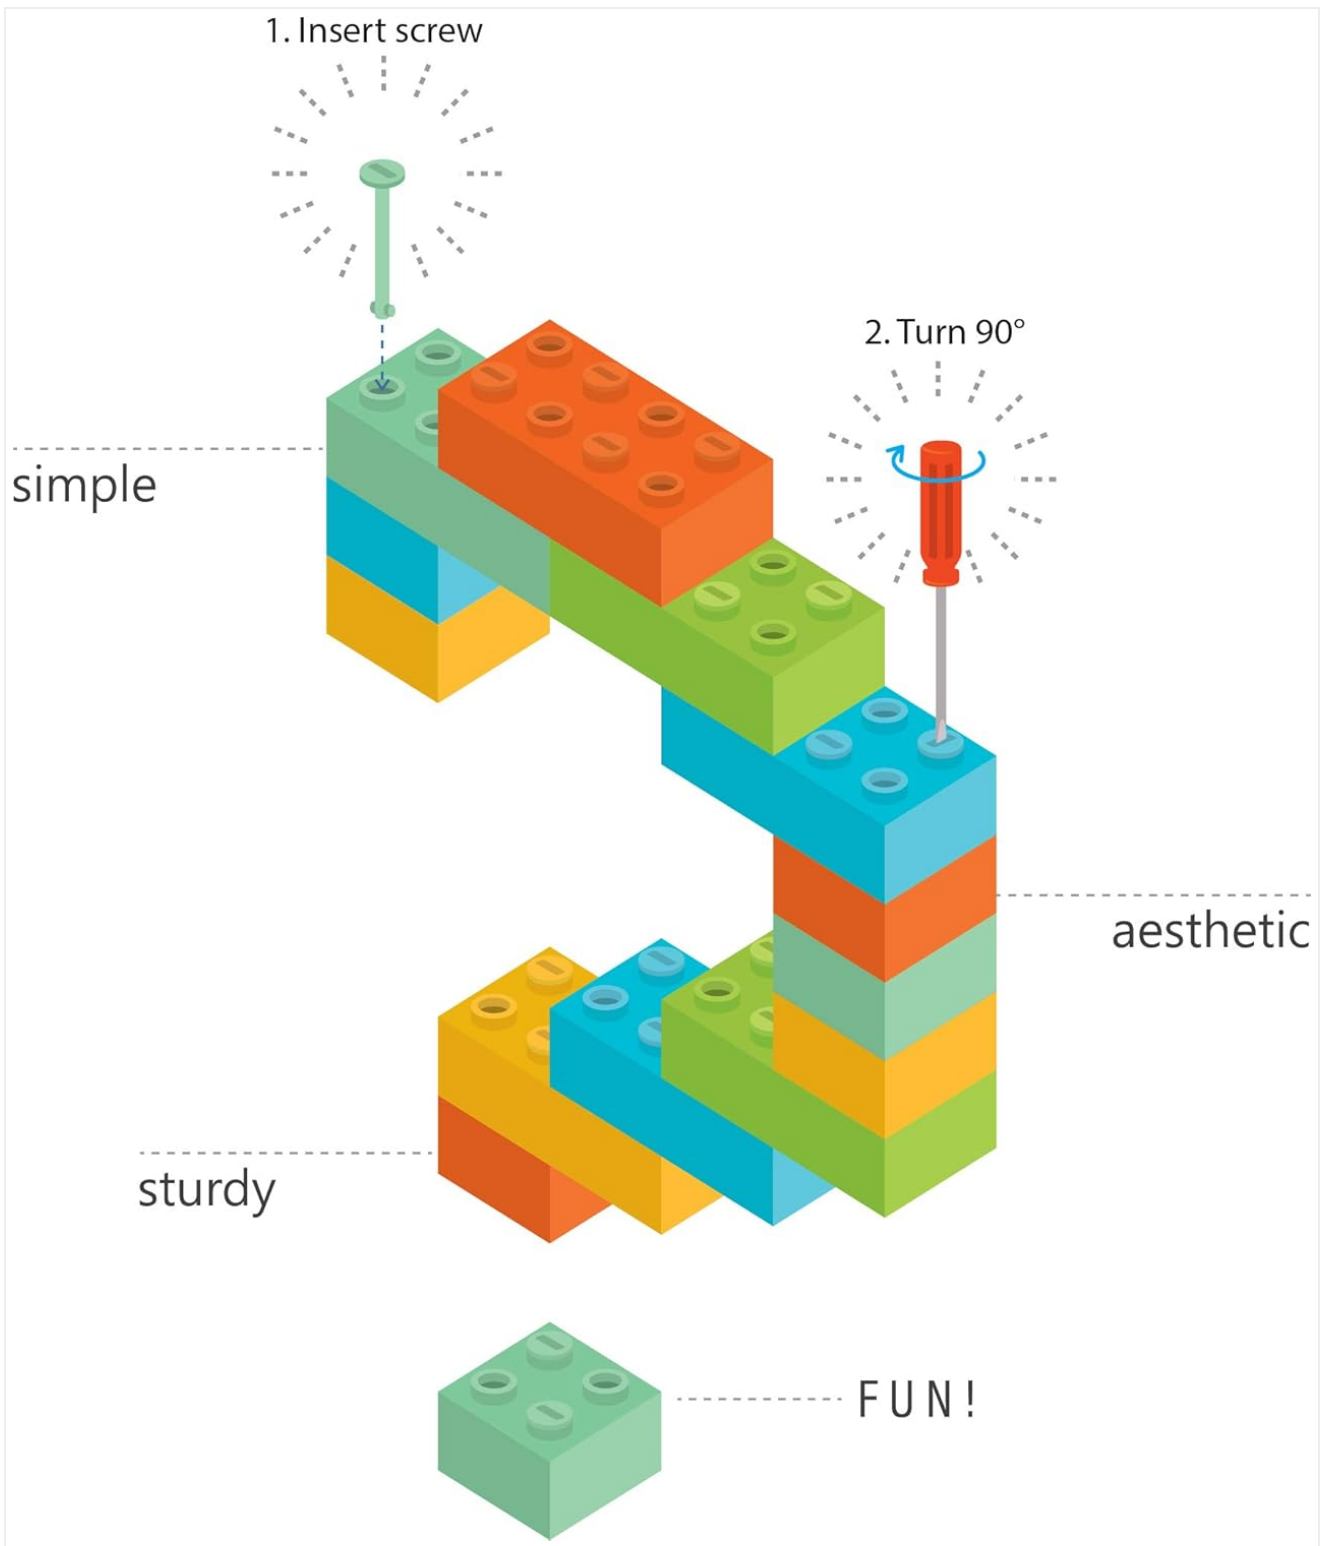

Image: Visual guide demonstrating the JEKCA assembly process: 1. Insert screw (pin), 2. Turn 90 degrees to secure. This method ensures a simple, aesthetic, sturdy, and fun build.

Image: A three-step circular diagram illustrating the JEKCA assembly: 1. Align bricks, 2. Insert pins, 3. Turn pins 90 degrees to lock.

MAINTENANCE

To keep your JEKCA model clean, gently wipe it with a soft, dry cloth. For more stubborn dust or dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic bricks.

TROUBLESHOOTING

Common Issues:

- **Loose Connections:** Ensure pins are fully inserted and turned 90 degrees to lock. If a connection feels loose, re-check the pin orientation.
- **Missing Pieces:** Carefully check all packaging materials. If pieces are genuinely missing, please contact

JEKCA customer support.

- **Difficulty Assembling:** Refer to the detailed Instruction Manual for step-by-step guidance. Ensure you are using the correct bricks and pins for each step.
