GRIFEMA G952

GRIFEMA G952 O-Shape Soft-Close Toilet Seat Instruction Manual

Model: G952

1. Introduction

This manual provides comprehensive instructions for the installation, operation, and maintenance of your GRIFEMA G952 O-Shape Soft-Close Toilet Seat. Designed for comfort and durability, this toilet seat features a silent soft-close mechanism and a quick-release function for easy cleaning. Please read these instructions carefully before installation and retain them for future reference.

2. Product Features

- **Soft-Close Mechanism:** Equipped with silent soft-close technology, the seat and lid close slowly and quietly, preventing slamming and ensuring a peaceful environment.
- **Quick Release Design:** A one-touch quick-release button allows for easy detachment of the seat from the toilet bowl, facilitating thorough cleaning.
- **Premium Material:** Constructed from high-quality urea-formaldehyde, this toilet seat offers superior scratch resistance, antibacterial properties, and resistance to discoloration and deformation compared to standard PP materials.
- **Anti-Slip Stability:** Features four integrated anti-slip pads on the underside of the seat to prevent movement and shifting during use.
- **Ergonomic Design:** Engineered for even weight distribution, enhancing user comfort.
- **High Load Capacity:** Designed to support up to 150 kg.
- **Hygienic Properties:** Reduces 99.9% of bacteria, contributing to a cleaner bathroom environment.

3. Package Contents

Please verify that all components are present before beginning installation:

- 1 x GRIFEMA G952 O-Shape Toilet Seat
- 1 x Set of Mounting Hardware (includes hinges, screws, washers, and expansion plugs)

4. Setup (Installation)

The GRIFEMA G952 toilet seat is designed for easy installation. Follow these steps:

1. **Remove Old Seat:** If applicable, remove your existing toilet seat by unscrewing the bolts from underneath the toilet bowl.
2. **Insert Expansion Plugs:** Place the provided expansion plugs into the mounting holes on your toilet bowl.
3. **Position Hinges:** Place the hinge bases over the expansion plugs. The hinges are 360-degree adjustable to align with your toilet's mounting holes.
4. **Secure Hinges:** Insert the screws through the hinge bases and into the expansion plugs. Tighten the screws until the hinges are firmly secured to the toilet bowl. Do not overtighten.
5. **Attach Toilet Seat:** Align the quick-release mechanisms on the underside of the toilet seat with the hinge posts. Press down firmly until you hear a click, indicating the seat is securely attached.

5. Operating Instructions

- **Soft-Close Function:** To close the toilet seat or lid, simply push it down gently. The soft-close mechanism will engage, allowing it to descend slowly and silently without manual guidance.
- **Quick Release for Cleaning:** To remove the toilet seat for cleaning, locate the quick-release buttons on the hinge mechanisms (typically at the back of the seat where it connects to the hinges). Press these buttons simultaneously and lift the seat straight up.

6. Maintenance

Proper maintenance ensures the longevity and hygiene of your toilet seat:

- **Cleaning:** Use a soft cloth with mild soap and water to clean the seat. Avoid abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the surface and finish.
- **Regular Checks:** Periodically check the tightness of the mounting screws to ensure the seat remains stable.

7. Troubleshooting

- **Seat Moves or Shifts:** Ensure that the mounting hardware is securely tightened. The 4 anti-slip pads on the underside of the seat are designed to prevent movement; verify they are intact and properly positioned.
- **Soft-Close Not Functioning:** Check for any obstructions around the hinges or damage to the soft-close mechanism. Ensure the seat is correctly attached to the hinge posts.
- **Difficulty During Installation:** Confirm that the expansion plugs are fully inserted and the hinge bases are correctly aligned with the toilet's mounting holes. The 360-degree adjustable hinges allow for flexibility in fitting.

8. Specifications

Model Number	G952
Brand	GRIFEMA
Dimensions (L x W x H)	44.5 x 38 x 3.3 cm
Weight	1.65 Kilograms
Material	Urea-Formaldehyde (Seat), Metal, Plastic (Hinges)
