OLOEY HZJ-SWC-01

OLOEY Mermaid Steering Wheel Cover Instruction Manual

Model: HZJ-SWC-01

Introduction

This manual provides instructions for the proper installation, use, and maintenance of your OLOEY Mermaid Steering Wheel Cover. Designed for comfort and style, this cover is compatible with standard steering wheels measuring 14 to 15.5 inches (36 to 40 cm) in diameter. Please read these instructions carefully before installation.

Installation Guide

Follow these steps to correctly install the steering wheel cover:

1. Position the steering wheel cover on the top section of your vehicle's steering wheel.
2. Firmly pull the steering wheel cover downwards from the top, stretching it over the sides of the steering wheel.
3. Continue pulling the cover tightly, working your way from the sides towards the bottom of the steering wheel.
4. Once the cover is fully over the steering wheel, adjust its position at the bottom to ensure a snug and even fit.

Image: Visual guide demonstrating the four-step installation process for the steering wheel cover. It shows the cover being placed on top, pulled down over the sides, then stretched to the bottom, and finally adjusted for a secure fit.

Usage

Once installed, the OLOEY Mermaid Steering Wheel Cover provides an enhanced grip and a comfortable driving experience. Its breathable and anti-slip properties contribute to better control and reduced hand fatigue. The soft texture ensures a pleasant touch during use.

Care and Maintenance

To maintain the appearance and longevity of your steering wheel cover, follow these care instructions:

- **Cleaning:** Hand wash with mild soap and cold water. Avoid harsh detergents or bleach.
- **Drying:** Air dry completely. Do not tumble dry or iron.
- **Storage:** Store in a cool, dry place when not in use.
- **Avoid:** Do not expose to direct sunlight for prolonged periods to prevent fading.

Troubleshooting

- **Difficulty Installing:** If the cover feels too tight, ensure your steering wheel diameter is within the compatible range (14-15.5 inches). Applying gentle, even pressure while stretching the cover will help. It may require some effort to ensure a snug fit.
- **Loose Fit:** If the cover feels loose after installation, double-check that it is fully stretched over the entire steering wheel circumference. A loose fit can compromise grip and safety.
- **Fading or Wear:** Over time, exposure to sunlight and frequent use may cause minor fading or wear. Follow maintenance guidelines to prolong the cover's lifespan.

Specifications

Brand	OLOEY
Model Number	HZJ-SWC-01
Compatible Steering Wheel Diameter	14 - 15.5 inches (36 - 40 cm)

Item Weight	Approximately 1.34 ounces (38 grams)
