3. KEY FEATURES

- **Optimal Warmth:** Features a soft, cozy fleece lining that provides substantial warmth and comfort against the elements.
- **Weather Protection:** The outer shell is designed to resist water and wind, offering protection on colder days.
- **Simple Attachment:** An elastic attachment quickly covers the car seat carrier without interfering with the harness system.
- **Adjustable Head Opening:** The head opening easily adjusts to accommodate your child's face, regardless of the car seat's headrest height.
- **Quick Access:** Equipped with center zippers and magnetic snaps that create openings, allowing for easy cooling of the child or convenient loading and unloading.

4. SETUP INSTRUCTIONS

Follow these steps to properly attach the CozyGanoosh to your UPPAbaby Aria or Mesa infant car seat carrier:

1. Ensure the car seat is empty and on a stable surface or securely installed in a stroller.
2. Place the CozyGanoosh over the car seat, aligning the head opening with the car seat's headrest area.
3. Secure the elastic attachment around the edges of the car seat carrier, ensuring a snug fit.
4. Adjust the head opening as needed to comfortably fit around your child's face.
5. Utilize the magnetic snaps to fold back the fabric from the child's face when unzipped, ensuring clear visibility and airflow.

5. OPERATING INSTRUCTIONS

The CozyGanoosh offers flexible options for keeping your child comfortable and protected:

- **Temperature Regulation:** Use the center zippers to open or close the cover, allowing for quick adjustments to your child's comfort level based on ambient temperature.
- **Easy Access:** The combination of zippers and magnetic snaps facilitates easy loading and unloading of your child without the need to fully remove the entire cover.
- **Outdoor Use Only:** This product is intended exclusively for strolling and transporting a child outdoors.
- **Vehicle Safety:** For your child's safety, the CozyGanoosh MUST be removed from the Mesa or Aria infant car seat carrier while riding in a vehicle to ensure proper harness fit and function.
