Furinno Moretti Modern Wide Stackable Metal Shelf User Manual

Model: FM19160GYW | Brand: Furinno

1. INTRODUCTION AND OVERVIEW

The Furinno Moretti Modern Wide Stackable Metal Shelf is part of the Moretti series, designed to offer a combination of wood and metal in a sleek, minimalistic form. This 2-tier shelf provides versatile storage and display space, suitable for various room styles. Its stackable design allows for expansion by adding additional units as needed. This manual provides essential information for assembly, usage, maintenance, and troubleshooting to ensure optimal performance and longevity of your shelf.

2. SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Keep away from naked flame or direct heat sources.**
- Ensure all connections are securely fastened before use.
- Do not overload the shelves. The maximum weight capacity is 60 pounds per shelf.
- For added stability, especially when stacking multiple units, consider securing the unit to a wall using appropriate hardware (not always included, but recommended for safety).
- Keep small parts and hardware away from children during assembly.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present. If any items are missing or damaged, please contact customer support.

Component	Quantity	Description
Shelf Panels	2	French Oak Grey laminated wood panels
Metal Frame Components	Varies	Black metal tubes and connectors
Hardware Pack	1 set	Screws, bolts, Allen wrench, etc.
Assembly Instructions	1	Printed manual

Note: The exact quantity of metal frame components may vary slightly based on the specific design of the stackable unit.

4. SETUP AND ASSEMBLY

Assembly is designed to be straightforward. Follow the step-by-step instructions provided in the included assembly manual. An Allen wrench is typically provided for tightening fasteners.

- 1. Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Refer to the parts list to identify each piece.
- 2. Assemble the Metal Frame:** Connect the metal tubes according to the diagrams in your assembly manual. Ensure all connections are snug but do not overtighten until all parts are aligned.
- 3. Attach Shelf Panels:** Secure the French Oak Grey shelf panels to the assembled metal frame using the provided screws. Ensure the panels are oriented correctly.
- 4. Final Tightening:** Once all components are in place and aligned, fully tighten all screws and bolts.
- 5. Stacking (Optional):** If you have multiple units, align the top of one unit with the bottom of another as shown in the stacking diagram. Secure them together using the designated connectors or by placing one directly on top of the other, ensuring stability.

5. OPERATING AND USAGE

The Furinno Moretti shelf is designed for versatile use in various settings. It can function as a bookshelf, display unit, storage organizer, or even a small side table.

- **Placement:** Position the shelf on a flat, stable surface to prevent wobbling.
- **Loading:** Distribute weight evenly across the shelves. Avoid placing heavy items on the very edge of the shelves.
- **Stacking:** As a key feature, multiple units can be stacked to create taller storage solutions. Ensure proper alignment and consider wall anchoring for stacked units, especially in homes with children or pets.

6. MAINTENANCE

Proper care will help maintain the appearance and extend the life of your Furinno Moretti shelf.

- **Cleaning:** Wipe clean with a clean, dampened cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.

- **Spills:** Promptly wipe up any spills to prevent staining or damage to the wood finish.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your Furinno Moretti shelf, refer to the following common solutions:

Problem	Possible Cause	Solution
Shelf is wobbly/unstable	Loose connections; uneven surface	Ensure all screws are fully tightened. Move the shelf to a flat, level surface.
Parts do not align during assembly	Incorrect orientation of parts; overtightened screws too early	Double-check the assembly diagrams. Loosen all screws slightly, align parts, then retighten.
Damage to finish	Impact; exposure to harsh chemicals or excessive moisture	Minor scratches may be touched up with a furniture marker. For significant damage, contact customer support. Prevent future damage by following care instructions.

If the problem persists or is not listed here, please contact Furinno customer support for assistance.

8. SPECIFICATIONS

Attribute	Detail
Model Name	Moretti Modern Wide Stackable Metal Shelf
Model Number	FM19160GYW
Brand	Furinno
