IKEA VITTSJÖ Shelf User Manual

Model: IK.403.034.39

1. INTRODUCTION

The IKEA VITTSJÖ shelf unit is designed to offer a versatile and durable storage solution for various spaces. Its construction from tempered glass and metal provides a light, open, and airy aesthetic, making it suitable for both limited areas and as a foundational piece for expanding storage needs. The unit features adjustable feet to ensure stability on uneven surfaces.

2. KEY FEATURES

- **Durable Materials:** Constructed from tempered glass and metal for long-lasting use.
- **Open Design:** Provides an airy and spacious feel, suitable for various room aesthetics.
- **Adjustable Feet:** Ensures stability on uneven floor surfaces.
- **Versatile Storage:** Can be used as a standalone unit or combined for larger storage solutions.
- **High Load Capacity:** Each shelf can support up to 15 kg.

3. SETUP AND ASSEMBLY

Assembly of the IKEA VITTSJÖ shelf unit is required. Please follow the detailed instructions provided in the separate assembly guide that accompanies your product. Ensure all components are present before beginning assembly. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

Once assembled, adjust the feet at the base of the unit to ensure it stands level and stable on your floor. This is crucial for safety and proper weight distribution.

4. OPERATING INSTRUCTIONS

The VITTSJÖ shelf unit is designed for indoor use to store and display various items. Each shelf has a maximum load capacity of 15 kg (33 lbs). To ensure stability and prevent damage, distribute weight evenly across the shelves and avoid exceeding the stated weight limit for any single shelf or the unit as a whole.

For safety, especially in households with children, it is highly recommended to secure the shelf unit to the wall using the anti-tip device provided. This prevents the unit from tipping over.

5. MAINTENANCE AND CARE

To maintain the appearance and longevity of your VITTSJÖ shelf unit, follow these care instructions:

- **Cleaning:** Wipe clean with a dry cloth. For glass surfaces, a glass cleaner can be used, but avoid abrasive cleaners that may scratch the surface.
- **Dusting:** Regularly dust the metal frame and glass shelves to prevent buildup.
- **Avoid Harsh Chemicals:** Do not use strong chemical cleaners or abrasive materials, as they can damage the finish of the metal and glass.
- **Temperature and Humidity:** Avoid placing the unit in areas with extreme temperature fluctuations or high humidity, which can affect the materials over time.

6. TROUBLESHOOTING

If you encounter any issues with your VITTSJÖ shelf unit, consider the following:

- **Instability:** If the unit wobbles, ensure it is placed on a flat surface. Use the adjustable feet to level the unit until it is stable. Check that all assembly screws are tightened securely.
- **Damaged Parts:** If any part is damaged or missing upon unboxing, do not proceed with assembly. Contact IKEA customer service for replacement parts.
- **Weight Limit Exceeded:** If shelves sag or show signs of stress, reduce the load. Ensure no single shelf exceeds the 15 kg weight limit.
