MODES OF USE

The Cover Me car seat supports four modes to accommodate children from 4 to 100 lbs:

1. **Rear-Facing Infant Mode:** For children weighing 4-18 lbs.
2. **Rear-Facing Toddler Mode:** For children weighing 18-40 lbs.
3. **Forward-Facing with Harness Mode:** For children weighing 22-65 lbs (and at least 2 years of age).
4. **Belt-Positioning Booster Mode:** For children weighing 40-100 lbs.

SETUP AND INSTALLATION

Adjusting the Recline Base and Recline Foot

The car seat features a recline base with five positions and an additional recline foot for rear-facing use. Positions 1-3 are for rear-facing, and positions 4-5 are for forward-facing.

1. Locate the recline handle beneath the tension adjuster.
2. Lift the recline handle to release the mechanism.
3. Rotate the car seat to your desired recline position.
4. For additional recline in rear-facing mode, locate the blue release handle under the car seat and press it to flip the recline foot open. To store, press the blue release handle and flip the foot back in.

Adjusting the Headrest and Harness

The integrated headrest and no-rethread harness system allow for easy adjustment as your child grows.

1. Locate the two buttons on either side of the headrest.
2. Pinch these buttons to release the headrest.
3. Slide the headrest up or down to the desired height.
4. Release the buttons to lock the headrest into place.
5. Ensure the harness straps are at or below the child's shoulders for rear-facing, and at or above for forward-facing.

Canopy Adjustment

The integrated UPF 50+ canopy provides sun protection and features independent flip-out side visors.

1. To adjust the canopy's height, locate the two blue release buttons on either side of the canopy track.
2. Press these buttons simultaneously and slide the canopy up or down to one of the five available positions.
3. Release the buttons to lock the canopy into place.
4. To open the canopy, grasp the canopy hoop and pull forward.
5. The independent side sun visors can be flipped out for additional shade or flipped under the canopy for storage.
6. When not in use, push the canopy back to close it.

Cup Holder Installation/Removal

The car seat includes two integrated cup holders for convenience.

1. To remove, locate the tab under the cup holder.
2. Press the tab against the outer car seat wall and pull up on the cup holder simultaneously to release.
3. To install, ensure correct placement by checking the 'RH' (right hand) and 'LH' (left hand) markings on the bottom of the cup holders.
4. Align the cup holder tab with the receptacle and press it firmly into place until secure.

MAINTENANCE

Cleaning Instructions

Regular cleaning helps maintain the car seat's condition and hygiene.

- **Fabric:** The car seat cover is removable and washable. Refer to the care label for specific washing instructions.
- **Cup Holders:** Wipe with a mild solution of soap and water. Rinse thoroughly with clean water. Do not use household detergents or solvents.

- **Harness Straps:** Spot clean with a damp cloth and mild soap. Do not immerse in water or use harsh cleaners, as this may weaken the straps.
- **Plastic Parts:** Wipe clean with a damp cloth and mild soap.
