4. MAINTENANCE

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and body of the tablet. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the tablet in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the device regularly.
- **Software Updates:** Regularly check for and install system updates to ensure optimal performance and security.

5. TROUBLESHOOTING

5.1 Device Not Powering On

- Ensure the battery is charged. Connect the tablet to its charger and wait a few minutes before attempting to power it on again.
- Press and hold the power button for at least 10-15 seconds to perform a forced restart.

5.2 Screen Unresponsive

- Restart the tablet by holding the power button.
- If the issue persists, perform a factory reset (note: this will erase all data).

5.3 Wi-Fi Connection Issues

- Ensure Wi-Fi is enabled on the tablet.
- Restart your Wi-Fi router.
- Forget the network and reconnect, entering the password again.

5.4 App Compatibility

Please note that due to certain restrictions, some applications, particularly those requiring Google Play Services, may not be directly available or fully functional on this device. Users are encouraged to explore the HUAWEI AppGallery for available applications or alternative solutions.
