GOKI Stacking and Pegging Set (Model 58480) - Instruction Manual

1. Introduction

This manual provides instructions for the safe and proper use of your GOKI Stacking and Pegging Set, Model 58480. This wooden toy is designed to help children develop fine motor skills, hand-eye coordination, and logical thinking through sorting and stacking activities. Please read this manual thoroughly before use and retain it for future reference.

The GOKI Stacking and Pegging Set includes a wooden base with pegs and a variety of colorful wooden shapes designed for stacking and sorting.

2. Safety Information

Your child's safety is paramount. Please observe the following guidelines:

- **Recommended Age:** This product is suitable for children 4 years and older.
- **Material Safety:** All components are painted with water-based, child-safe, and non-toxic paints.
- **Adult Supervision:** Always ensure adult supervision during play.
- **Inspection:** Regularly inspect all wooden parts for any signs of damage, splinters, or loose pieces.
- **Discontinue Use:** If any part is broken, damaged, or shows signs of wear that could pose a hazard, discontinue use immediately.
- **Choking Hazard:** While designed for older children, always be mindful of smaller pieces if younger children are present.

3. Setup

The GOKI Stacking and Pegging Set requires no assembly. Follow these simple steps to prepare for play:

1. Carefully unpack all 69 wooden components from the packaging.
2. Place the wooden base on a stable, flat, and clean surface, such as a table or floor.
3. Arrange the various colorful wooden shapes and pegs within easy reach of the child.

4. Operating Instructions

The GOKI Stacking and Pegging Set offers multiple ways to engage and develop a child's skills:

- **Sorting:** The primary objective is for the child to sort the various colorful figures and shapes onto the corresponding pegs on the wooden base. Encourage them to match shapes, colors, or sizes.
- **Stacking:** Guide the child in placing the shapes onto the pegs, promoting hand-eye coordination and fine motor skills. They can stack multiple pieces on a single peg if the shapes allow.
- **Logical Thinking:** Challenge the child to create different stacking patterns or sequences. This fosters problem-solving and logical reasoning.
- **Creative Play:** With 69 pieces, the set offers numerous combinations for imaginative play beyond simple sorting and stacking.

5. Maintenance

Proper care will ensure the longevity of your GOKI Stacking and Pegging Set:

- **Cleaning:** Clean the wooden components with a slightly damp cloth. Do not immerse the wooden parts in water, as this can cause warping or damage to the paint.
- **Drying:** After cleaning, wipe the pieces dry immediately with a clean, dry cloth.
- **Avoid Chemicals:** Do not use harsh cleaning agents, abrasive materials, or solvents, as these can damage the paint and wood.
- **Storage:** Store the set in a dry place, away from direct sunlight, extreme temperatures, and high humidity to prevent warping, fading, or mold growth.

6. Troubleshooting

If you encounter any issues with your GOKI Stacking and Pegging Set, please refer to the following common solutions:

- **Problem:** Pieces do not fit onto the pegs.
  - **Solution:** Ensure the child is attempting to match the correct shape to the corresponding peg. Some shapes may only fit on specific pegs due to their design.
- **Problem:** Wooden pieces appear dull or dirty.
  - **Solution:** Wipe the pieces gently with a slightly damp cloth as described in the Maintenance section. Avoid excessive moisture.
- **Problem:** Wooden pieces show signs of warping or cracking.
  - **Solution:** This can occur due to exposure to extreme temperature changes or humidity. Ensure the product is stored in a stable environment. If damage is significant, discontinue use.
