Feandrea UPCL002X01

Feandrea Cat Litter Box Enclosure Instruction Manual

Model: UPCL002X01

Brand: Feandrea

INTRODUCTION

The Feandrea Cat Litter Box Enclosure (Model UPCL002X01) is a versatile piece of furniture designed to discreetly house your cat's litter box or serve as a cozy cat house. Its rustic brown finish and barn door design allow it to blend seamlessly with various home decor styles, transforming a functional item into an attractive part of your living space. This enclosure provides a private space for your cat while helping to reduce unpleasant odors and litter tracking.

It features a removable divider, allowing for flexible use as either a two-compartment space or a larger single compartment, accommodating different litter box sizes or providing ample room for a cat bed. The sturdy top surface can also function as an end table, offering additional utility.

IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Do not step or sit on the litter box enclosure. This product is designed for pet use and light decorative items on top.
- With the inner divider installed, the maximum static load capacity of the top surface is **132 lb (60 kg)**.
- When the inner divider is removed, the maximum static load capacity of the top surface is reduced to **22 lb (10 kg)**. Ensure this limit is not exceeded to prevent damage or instability.
- Keep all small parts and packaging materials away from children and pets during assembly to prevent choking hazards.
- Assemble the product on a soft, clean surface to avoid scratching.

SETUP AND ASSEMBLY

The Feandrea Cat Litter Box Enclosure is designed for stress-free assembly. All necessary parts are labeled, and step-by-step instructions are included in the accessory kit. Typically, assembly can be completed within 20 minutes.

1. Unpack all components and verify against the parts list provided in your instruction manual.
2. Identify the main panels and hardware.
3. Follow the numbered steps in the included assembly guide to connect the panels using the provided screws and connectors.

4. Attach the barn doors and their handles. Ensure the magnetic locks are properly aligned for secure closure.
5. Decide whether to install the removable inner divider based on your intended use (litter box or cat bed).

Not Just for a Litter Box

Also a coffee table for you, or a cozy house for your cat.

Image: Internal dimensions of the enclosure. The main compartment is 19.8" x 19.8" x 18.3". With the divider removed, the space expands to 29.7" x 19.8" x 18.3". The cat entrance is 9.5" high and 7.9" wide.

OPERATING AND USAGE

This versatile enclosure can be used in several ways to suit your needs and your cat's comfort.

As a Hidden Litter Box Enclosure:

Place a standard or large litter box inside the main compartment. The enclosed design provides privacy for your cat and helps contain odors and litter tracking. The side entrance allows easy access for your cat.

Hidden Litter Box

Conceals the mess, reduces litter tracking.

Image: The enclosure in use, showing a cat entering through the side opening to access the litter box inside. This setup helps conceal the litter box and reduce tracking.

As a Cozy Cat House:

Remove the inner divider to create a larger, open space. Place a comfortable cat bed or cushion inside to provide a private and secure resting spot for your feline friend. The enclosure can then double as a stylish end table.

Large Room Inside

Fits both kittens and adult cats, accompanying their growth.

Image: The enclosure configured as a cat house, with the doors open to show a cat comfortably resting on a soft bed inside. This demonstrates its dual functionality as pet furniture and a household item.

As an End Table:

The sturdy top surface of the enclosure can be used as an end table or nightstand. Decorate it with plants, books, or other household items to seamlessly integrate it into your home decor. Remember to adhere to the weight limits specified in the safety section.

MAINTENANCE

Regular cleaning and maintenance will ensure the longevity and hygiene of your Feandrea Cat Litter Box Enclosure.

- **Cleaning the Surface:** The enclosure features an easy-to-clean surface. Wipe down the exterior and interior surfaces

regularly with a soft, damp cloth. For stubborn stains, a mild, non-abrasive cleaner can be used, followed by wiping dry.

- **Litter Box Area:** For hygiene, ensure the litter box inside is cleaned regularly according to your litter box's instructions. The double doors allow for easy access for scooping and cleaning the litter box.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.

TROUBLESHOOTING

If you encounter any issues with your Feandrea Cat Litter Box Enclosure, please refer to the following common solutions:

- **Stability Issues:** Ensure all screws are tightened securely. If the unit wobbles, check that it is placed on a flat, even surface.

- **Doors Not Closing Properly:** Verify that the magnetic locks are correctly installed and aligned. Check for any obstructions preventing the doors from closing fully.
- **Missing Parts:** If you find any parts missing upon unpacking, please contact Feandrea customer support immediately with your purchase details.
- **Damage During Shipping:** Inspect the product upon arrival. If any damage is noted, document it with photos and contact customer support.

For issues not covered here, please contact Feandrea customer support for assistance.
