## 4. SETUP AND ASSEMBLY

Assembly of the Tiny Land Play Kitchen requires adult supervision and tools. Please follow the detailed instructions provided in the separate assembly guide included with your product packaging. Ensure all screws and fasteners are tightened securely.

### 4.1. Adjustable Height Feature

The play kitchen features an adjustable height design to accommodate children aged 3-7. The legs include extenders that allow for two different height settings:

- **Lower Height:** Use the shorter leg extenders for a total height of 38.5 inches.
- **Taller Height:** Use the longer leg extenders for a total height of 40.7 inches.

To adjust the height, carefully detach the leg extenders and reattach the appropriate size. Ensure all leg extenders are firmly in place before use.

## 5. OPERATING INSTRUCTIONS

The Tiny Land Play Kitchen includes several interactive features to enhance playtime:

### 5.1. Stove and Range Hood

The stove burners and range hood feature realistic lights and sounds. Locate the control buttons on the range hood. Press the light button to turn on the hood light. Press the fan button to activate the fan sound. The stove burners light up and make cooking sounds when their respective knobs are turned.

## 5.2. Oven

The oven door opens to reveal a spacious interior for play food. Twist the oven knobs to hear realistic clicking sounds and activate the internal light. The light automatically turns off when the door is closed.

## 5.3. Microwave

The microwave door opens and closes, allowing children to mimic real cooking activities by placing toy food inside.

## 5.4. Faucet and Sink

The faucet can be rotated for a hands-on play experience. The sink is removable for easy cleaning.

## 5.5. Ice Maker

The ice maker dispenses included ice cubes. Simply place the ice cubes into the top compartment of the ice maker. Push the lever or button (depending on model variation) to watch the ice cubes drop into the cup.

## 6. MAINTENANCE AND CARE

To ensure the longevity of your Tiny Land Play Kitchen, follow these maintenance guidelines:

- **Cleaning:** Wipe down all surfaces with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as they may damage the wood finish.
- **Wood Care:** Keep the playset away from direct sunlight and excessive moisture to prevent warping or fading.
- **Battery Replacement:** The lights and sounds features require 1 Lithium Metal battery (included). When the lights dim or sounds become faint, replace the battery according to the instructions in the battery compartment (typically located near the range hood or oven).
- **Inspections:** Periodically check all screws and connections to ensure they are tight. Tighten any loose fasteners as needed.

## 7. TROUBLESHOOTING

If you encounter any issues with your Tiny Land Play Kitchen, please refer to the following common solutions:

- **Lights or Sounds Not Working:**

- Check if the battery is correctly installed.
- Replace the battery if it is depleted.
- Ensure the power switch (if applicable) is in the 'On' position.

- **Ice Cubes Not Dispensing:**

- Verify that ice cubes are properly loaded into the top compartment.
- Ensure no obstructions are blocking the dispenser mechanism.

- **Loose Parts:**

- Identify the loose component and tighten the corresponding screws. Do not overtighten.

If the problem persists after attempting these solutions, please contact Tiny Land customer support.
