## 2. SETUP INSTRUCTIONS

### 2.1 Unboxing and Component Identification

Carefully remove all components from the packaging. Verify that all items listed below are present:

- 1 x Military Transport Aircraft
- 1 x Military Truck
- 2 x Soldier Action Figures
- 1 x Dog Figure

### 2.2 Battery Installation (for Lights and Sounds)

The military truck and aircraft feature light and sound functions that require batteries. Batteries are not included with the set.

1. Locate the battery compartment on the underside of the military truck and aircraft.
2. Using a small screwdriver (not included), open the battery compartment cover.
3. Insert the required batteries (typically AA or AAA, refer to the compartment markings for exact type and quantity) ensuring correct polarity (+/-).
4. Replace the battery compartment cover and secure it with the screw.

Image 3: Detail of the military aircraft, highlighting the battery compartment and control buttons for lights and sounds.

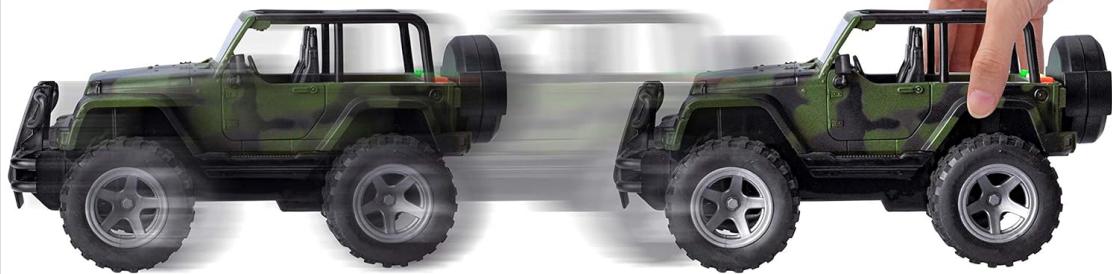

### 3. OPERATING INSTRUCTIONS

#### 3.1 Friction Power Operation

Both the military truck and the transport aircraft are equipped with a friction-powered mechanism for movement.

- **To move the vehicle:** Gently push the vehicle forward or backward on a flat surface. The internal friction motor will engage, allowing the vehicle to continue moving on its own for a short distance.
- Ensure the surface is smooth and clear of obstructions for optimal movement.

## Friction Powered

## Friction Powered

Image 4: Illustration of how to activate the friction-powered movement for both vehicles.

### 3.2 Activating Lights and Sounds

After installing batteries, you can activate the light and sound features:

- Locate the designated buttons on the top or side of the military truck and aircraft (refer to Images 2 and 3).
- Press these buttons to activate various light patterns and siren sounds.

### 3.3 Action Figures and Accessories

The soldier action figures are poseable and can be placed inside the vehicles or used independently. The dog figure can accompany the soldiers. These figures enhance imaginative play scenarios.

## 4. MAINTENANCE

### 4.1 Cleaning

To clean the toy set, use a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic or paint. Do not submerge any part of the toy in water, especially components with electronic parts.

### 4.2 Storage

Store the toy set in a cool, dry place away from direct sunlight and extreme temperatures. If the toy

will not be used for an extended period, remove the batteries from the compartments to prevent leakage and potential damage.

## 5. TROUBLESHOOTING

---

### 5.1 Lights and Sounds Not Working

- **Check Batteries:** Ensure batteries are correctly installed with the proper polarity. Replace old or depleted batteries with new ones.
- **Battery Compartment:** Verify that the battery compartment cover is securely closed.

### 5.2 Friction Power Not Engaging

- **Surface:** Ensure the toy is on a flat, smooth, and clean surface. Rough or carpeted surfaces may hinder the friction mechanism.
- **Obstructions:** Check for any debris or foreign objects caught in the wheels or axles.

## 6. SPECIFICATIONS

---

Feature	Detail
Package Dimensions	30.91 x 28.11 x 12.9 cm
Product Weight	921 g
Brand	JOYIN
Theme	Figures, Military, Transport
Age Range (Description)	Child
Cartoon Character	Military Soldier
Requires Assembly	No
Requires Batteries	Yes (for lights/sounds, not included)
Batteries Included	No
Remote Control Included	No
UPC	840165810768
