5. SETUP INSTRUCTIONS

Follow these steps to assemble your JOYIN Arcade Basketball Game Set. Refer to the included pictorial instructions for visual guidance.

- Unpack Components:** Carefully remove all parts from the packaging and lay them out. Verify all listed package contents are present.
- Assemble Frame:** Connect the blue pipes using the orange connectors according to the assembly diagram. Ensure all connections are secure and click into place.
- Attach Collection Net:** Secure the main collection net fabric to the frame as indicated in the instructions. This forms the ball return chute.
- Install Backboard and Hoop:** Attach the backboard and hoop assembly to the top of the frame. Ensure the net is properly secured to the hoop.
- Inflate Basketballs:** Use the provided air pump to inflate the four basketballs. Do not over-inflate.
- Adjust Height (Optional):** The frame allows for adjustable height. Follow the instructions to modify the height to suit the player's age and preference. The height can be adjusted from approximately 44 inches to 55 inches.

7. **Secure Storage Net:** Attach the bottom storage net to the lower part of the frame. This provides a convenient space for extra balls or other toys.

6. OPERATING INSTRUCTIONS

Once assembled, the JOYIN Arcade Basketball Game Set is ready for play. Simply stand in front of the hoop and shoot the basketballs. The ball return system will guide successful shots back to the base for continuous play.

- **Shooting:** Aim for the hoop and shoot the included basketballs.
- **Ball Return:** Balls that go through the hoop will roll down the fabric chute and collect in the base, making it easy to retrieve them for the next shot.
- **Adjustable Play:** Utilize the adjustable height feature to customize the challenge level for different players or as your child grows.
- **Storage:** The bottom net provides a convenient storage area for the basketballs when not in use, or for other small toys.

7. MAINTENANCE

Regular maintenance ensures the longevity and safe operation of your basketball game set.

- **Cleaning:** Wipe down the plastic frame and backboard with a damp cloth and mild soap as needed. The fabric net can be spot cleaned.
- **Ball Inflation:** Periodically check the inflation of the basketballs. Use the provided air pump to re-inflate them to the desired firmness. Avoid over-inflation.
- **Component Check:** Regularly inspect all pipe connections and net attachments to ensure they remain secure. Tighten any loose connections.
- **Storage:** When not in use, especially for extended periods or during inclement weather, store the game set in a dry, protected area.

8. TROUBLESHOOTING

- **Balls not inflating:** Ensure the needle of the air pump is fully inserted into the ball's valve. Check if the pump itself is functioning correctly.
- **Frame feels unstable:** Double-check all pipe connections. Ensure they are pushed in completely

and securely. The frame is designed to be sturdy when correctly assembled.

- **Balls not returning smoothly:** Ensure the fabric chute is properly aligned and free of wrinkles or obstructions.
