What's in the Box

- 1x Geeni Hawk 3 Camera
- 1x Mounting Kit (screws and anchors)
- 1x Power Adapter with long cable
- Instruction Manual (this document)

All components included with your Geeni Hawk 3 camera, ready for installation.

Setup Guide

1. **Download the Geeni App:** Search for "Geeni" in the Apple App Store or Google Play Store and download the application. Create an account or log in if you already have one.

Visual representation of the three simple steps for setting up your Geeni camera: Download the app, power on the device, and connect via the app.

2. **Power On the Camera:** Connect the camera to the power adapter and plug it into a standard electrical outlet. The camera's indicator light will begin to flash, indicating it is ready for pairing.
3. **Connect to Wi-Fi:** Open the Geeni app, tap the '+' icon to add a new device, and follow the on-screen instructions to connect your Hawk 3 camera to your 2.4GHz Wi-Fi network. Ensure your smartphone is connected to the same Wi-Fi network during the setup process.
4. **Mount the Camera:** Once connected, choose a suitable outdoor location for your camera. Use the included mounting kit to securely attach the camera to a wall or overhang. Adjust the camera's angle to achieve the desired viewing area.

Setup Overview Video

This video provides a visual overview of the Geeni Hawk 3 Outdoor Security Camera, including its features and basic setup steps.

Operating Instructions

Live View and Recording

Access the live video feed from your camera anytime, anywhere through the Geeni app. You can initiate manual recordings or capture screenshots directly from the live view interface. The camera supports continuous recording to a MicroSD card (sold separately) or cloud storage (subscription may be required).

An overview of the Geeni Hawk 3's smart security features, including HD Live Video, Night Vision, Motion Sensor, App Control, Micro SD Slot, 2-Way Audio, Share Access, and Weatherproof design.

Motion Detection and Alerts

The Geeni Hawk 3 camera is equipped with advanced motion detection. When motion is detected, the camera will automatically begin recording and send instant notifications to your smartphone. You can customize motion sensitivity and define specific detection zones within the Geeni app to minimize false alerts.

Two-Way Audio

Utilize the built-in microphone and speaker for two-way communication. This feature allows you to speak to visitors, delivery personnel, or deter unwanted intruders directly through the Geeni app, no matter your location.

A user interacting with the two-way audio feature via the Geeni app, communicating with someone visible on the camera feed.

Night Vision

The Geeni Hawk 3 features automatic infrared night vision, providing clear surveillance footage even in complete darkness. This ensures 24/7 monitoring and security for your property.

Maintenance

- **Cleaning:** Regularly wipe the camera lens with a soft, damp cloth to ensure clear image quality. Avoid using harsh chemicals or abrasive materials.
- **Firmware Updates:** Keep your camera's firmware updated through the Geeni app. Updates often include performance improvements, new features, and security enhancements.
- **Cable Management:** Ensure all cables are securely fastened and protected from environmental damage or tampering.

Troubleshooting

Issue	Possible Cause	Solution
Camera not powering on	Power adapter not connected, faulty outlet	Check power connections, try a different outlet.
Unable to connect to Wi-Fi	Incorrect Wi-Fi password, 5GHz network, weak signal	Ensure correct 2.4GHz Wi-Fi, move camera closer to router, re-enter password.
Poor video quality	Weak Wi-Fi signal, dirty lens	Improve Wi-Fi signal strength, clean the camera lens.
Frequent false motion alerts	High sensitivity, environmental factors (e.g., trees, shadows)	Adjust motion sensitivity in the app, define specific detection zones.

Issue	Possible Cause	Solution
Two-way audio issues	Microphone/speaker blocked, app permissions	Ensure clear path for audio, check app permissions for microphone access.

If you encounter issues not listed here, please refer to the Geeni app's help section or contact customer support.
