## Qaba 350-079WT

# Qaba Corner Kids Kitchen Playset Instruction Manual

Model: 350-079WT

Brand: Qaba

## INTRODUCTION

---

This instruction manual provides detailed information for the assembly, operation, and maintenance of your Qaba Corner Kids Kitchen Playset (Model: 350-079WT). Please read this manual thoroughly before assembly and use to ensure safe and proper functionality. This playset is designed to provide an engaging and educational play experience for children aged 3 years and up, encouraging imaginative play and skill development.

## SAFETY INFORMATION

**WARNING:** This product can expose you to chemicals including formaldehyde, which is known to the State of California to cause cancer. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

- Adult assembly required. Keep small parts away from children during assembly.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as needed.
- This playset is intended for indoor use only.
- Do not allow children to climb on the playset, as this may cause tipping or injury.
- Keep away from open flames and heat sources.
- Supervise children during play to prevent misuse or accidents.
- The electronic water dispenser requires 2 AA batteries (not included). Ensure batteries are inserted with correct polarity and dispose of used batteries responsibly.

## PARTS LIST

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Main Kitchen Unit (Corner Section)
- Refrigerator Unit (Detachable)
- Microwave Unit

## SETUP AND ASSEMBLY

Assembly of the Qaba Corner Kids Kitchen Playset requires careful attention to the provided diagrams and instructions. It is recommended to have two adults for assembly. A Phillips head screwdriver will be needed.

1. **Unpack and Organize:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the labels and the parts list.
2. **Assemble Base Units:** Begin by assembling the main corner kitchen unit and the separate refrigerator unit according to the step-by-step diagrams in the included assembly guide. Ensure all cam locks and screws are fully tightened.
3. **Attach Appliances:** Secure the microwave unit above the stove area. Install the sink basin into its designated cutout on the countertop.
4. **Install Accessories:** Attach the faucet to the sink. Hang the wooden utensils on the hooks provided. Place the salt and pepper shakers on the shelf.
5. **Battery Installation:** Locate the battery compartment for the electronic water dispenser (typically on the back or underside of

the refrigerator unit). Insert 2 AA batteries, ensuring correct polarity.

6. **Final Placement:** Position the assembled kitchen playset in its desired location. The refrigerator unit can be detached and placed separately if preferred.

Figure 4: The playset features an opening oven door and internal shelving for storage.

## OPERATING INSTRUCTIONS

The Qaba Corner Kids Kitchen Playset offers various interactive features for realistic play:

- **Microwave:** The microwave door opens and closes. The keypad is for pretend play and does not have electronic functions.
- **Stove Burners:** The stove features two pretend burners. The knobs can be turned to simulate cooking.
- **Sink and Faucet:** The sink basin can hold a small amount of water for realistic washing. The faucet is stationary.
- **Electronic Water Dispenser:** Located on the refrigerator door, this dispenser makes sounds when activated, simulating water or ice dispensing. Ensure batteries are installed for this feature.
- **Refrigerator and Oven:** Both the refrigerator and oven have doors that open and close, providing storage space for play food and accessories.

## MAINTENANCE AND CARE

- **Cleaning:** Wipe down all surfaces with a soft, damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals. Dry thoroughly after cleaning.
- **Water Management:** If using water in the sink, ensure it is emptied and dried completely after each play session to prevent mold or damage to the wooden components.
- **Hardware Check:** Periodically inspect all screws, bolts, and connectors to ensure they are tight. Re-tighten as necessary to maintain structural integrity.
- **Storage:** Store the playset in a dry environment, away from direct sunlight or extreme temperatures, to prevent warping or fading.
- **Battery Replacement:** Replace AA batteries in the electronic water dispenser when sounds become faint or stop working.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Electronic water dispenser not working.	Batteries are dead or incorrectly installed.	Check battery polarity. Replace with new 2 AA batteries.
Playset feels wobbly or unstable.	Loose screws or fasteners.	Inspect all connection points and tighten any loose screws. Ensure the playset is on a flat, stable surface.
Doors (oven, fridge) do not close properly.	Hinges are loose or misaligned.	Check and tighten screws on hinges. Adjust door alignment if necessary.
