JOYIN 207-Extreme Set (24-FEOA-PT7K)

JOYIN 207Pcs Glowing Marble Run Instruction Manual

INTRODUCTION

This JOYIN 207Pcs Glowing Marble Run set is designed to enhance children's creativity, logical thinking, and hand-eye coordination. It includes transparent parts for observing marbles as they navigate the tracks. The set comes with an assembly instruction guide to help in building various track designs. Once familiar with the basic structures, children can use their imagination to create unique and complex marble runs.

WHAT'S IN THE BOX

The JOYIN 207Pcs Glowing Marble Run set includes:

- 147 pieces of various colored action parts made from high-quality solid plastic.
- 60 regular-sized glass marbles, including glow-in-the-dark marbles.
- Transparent track pieces for enhanced visibility of marble movement.
- An assembly instruction guide.

SUPER VALUE PACK Includes 100-piece multi-color action parts and 50 regular size glass marbles.

SETUP

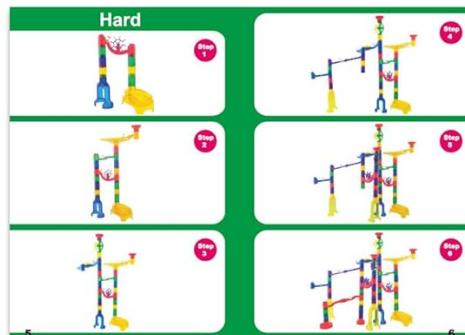

Follow the included assembly instruction guide for step-by-step building. Start with the basic structures as outlined in the guide. Ensure all pieces are securely connected to create a stable track. The transparent parts allow for easy verification of proper marble flow. Experiment with different configurations to understand how each piece affects the marble's path.

LEARN WITH INSTRUCTIONS

Follow the instruction booklet to build different combinations!

OPERATING

Once the marble run is assembled, place the marbles at the designated starting points. Observe the marbles as they travel through the various tracks, turns, and drops. The transparent design allows for clear viewing of the marble's journey. Encourage children to experiment with different marble release points and track modifications to explore concepts of gravity, motion, and cause-and-effect.

MAINTENANCE

To maintain the longevity of your JOYIN Marble Run, regularly inspect all pieces for any damage or wear. Clean the plastic components with a soft, damp cloth and mild soap if necessary. Ensure all marbles are stored safely when not in use to prevent loss. Avoid exposing the set to extreme temperatures or direct sunlight for prolonged periods.

TROUBLESHOOTING

- **Marbles getting stuck:** Check for any misaligned or loose track pieces. Ensure all connections are firm. Sometimes, adding a small piece of tape to loose connections can improve stability.
- **Structure instability:** Verify that the base pieces are correctly assembled and placed on a flat, stable surface. Re-check all connections, applying gentle pressure to ensure they are fully engaged.
- **Marbles not completing the run:** Ensure there are no obstructions in the tracks. For complex builds, verify that the incline of the tracks is sufficient for gravity to propel the marbles through the entire course.

SAFETY INFORMATION

This product contains small parts and is a choking hazard. It is not suitable for children under 3 years of age. Adult supervision is recommended during play. All components are made from 100% non-toxic materials and meet US Safety Standards.

SPECIFICATIONS

- **Product Dimensions:** 3 x 5 x 7 inches
- **Item Weight:** 5.72 pounds
- **Item Model Number:** 24-FEOA-PT7K
- **Manufacturer Recommended Age:** 36 months - 3 years
- **Manufacturer:** Joyin, Inc.
