## SETUP

---

### 1. Charging the Headphones:

Connect the provided Type-C charging cable to the charging port on the headphone (DC-5V port). Plug the other end into a USB power source. The LED indicator will light up during charging and turn off when fully charged. A full charge takes approximately 3 hours and provides up to 68 hours of playtime.

Your browser does not support the video tag.

Video: Official MIDOLA video demonstrating the charging process and features of the Kids Bluetooth Wireless Headphones.

### 2. Powering On/Off:

Locate the ON/OFF switch on the headphone. Slide the switch to the "ON" position to power on. The LED indicator will illuminate. Slide to "OFF" to power off.

### 3. Bluetooth Pairing:

With the headphones powered on, enable Bluetooth on your device (e.g., tablet, phone). Search for "MIDOLA-B01" in the list of available devices and select it to pair. The LED indicator will show a steady blue light once connected.

Your browser does not support the video tag.

Video: Talia Smith demonstrating how to connect the MIDOLA Kids Headphones via Bluetooth to a tablet.

### 4. Wired Connection (Optional):

Insert the 3.5mm AUX cord into the AUX port on the headphone and the other end into your audio device's headphone jack. The headphones will automatically switch to wired mode.

## OPERATING INSTRUCTIONS

---

### 1. Volume Control:

Use the 'V+' and 'V-' buttons on the headphone to adjust the volume. For hearing protection, press the "DB" button to cycle through the 74dB, 85dB, and 94dB volume limits.

### 2. Music Playback:

Use the Play/Pause button to start or stop music. Use the Next/Previous track buttons to skip songs.

### 3. Answering Calls:

When connected to a phone via Bluetooth, press the Play/Pause button to answer or end a call. The built-in microphone allows for hands-free communication.

### 4. Adjusting Fit:

The headband is adjustable. Gently slide the earcups up or down to achieve a comfortable and secure fit for the user's head size. The padded headband and ear cushions are designed for comfort and to prevent slipping.

## MAINTENANCE

---

- Clean the headphones regularly with a soft, dry cloth.
- Avoid exposing the headphones to extreme temperatures, humidity, or direct sunlight.
- Do not immerse the headphones in water as they are not water-resistant.
- Store in a cool, dry place when not in use. The foldable design helps protect them during storage and transport.

## TROUBLESHOOTING

---

Problem	Solution
Headphones won't turn on.	Ensure the battery is charged. Connect to a power source using the Type-C cable.
Cannot pair via Bluetooth.	Make sure Bluetooth is enabled on your device and the headphones are in pairing mode (blinking LED). Ensure the headphones are not already connected to another device. Try restarting both devices.
No sound in wired mode.	Check if the 3.5mm AUX cable is fully inserted into both the headphone and the audio device. Ensure the audio device's volume is not muted or too low.
Volume is too low.	Adjust the volume using the 'V+' button on the headphones and on your connected device. Check the volume limit setting (DB button) to ensure it's not set to the lowest level if higher volume is desired.
