nanoblock My Hero Academia Izuku Midoriya Charanano Series Building Kit (Model CN-30)

Official Instruction Manual

INTRODUCTION

This manual provides instructions for assembling the nanoblock My Hero Academia Izuku Midoriya Charanano Series building kit, Model CN-30. This kit allows you to construct a detailed micro-sized figure of Izuku Midoriya, standing approximately 3.10 inches tall, using 220 pieces. The building process is designed to be engaging and results in a displayable model.

The difficulty level for this model is rated as 3 out of 5, making it suitable for builders aged 15 and above. All nanoblock sets include detailed step-by-step instructions to guide you through the assembly process.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - This product contains small parts and is not suitable for children under 3 years. Adult supervision is recommended during assembly, especially for younger users.

Ensure all small pieces are kept away from infants and pets.

SETUP AND ASSEMBLY

1. **Unboxing:** Carefully open the product box and remove all contents. Verify that all 220 pieces and the instruction booklet are present.
2. **Review Instructions:** Before beginning assembly, thoroughly read the included step-by-step instruction booklet. Familiarize yourself with the block types and the assembly sequence.
3. **Organize Pieces:** It is recommended to sort the nanoblock pieces by color and shape to facilitate easier assembly.
4. **Follow Steps:** Assemble the model by following the detailed diagrams and instructions provided in the booklet. Pay close attention to the orientation and placement of each block.
5. **Secure Connections:** Ensure each nanoblock piece is firmly connected to the adjacent pieces to create a stable structure.

MAINTENANCE

- **Cleaning:** To clean the assembled model, gently wipe it with a dry, soft cloth. For stubborn dust, a soft brush or compressed air can be used. Avoid using water or chemical cleaners, as these may damage the plastic or loosen connections.
- **Storage:** Store the assembled model in a stable location away from direct sunlight, extreme temperatures, and high humidity to prevent discoloration or deformation of the plastic.
- **Disassembly:** If disassembling the model, do so carefully to avoid breaking or bending the small pieces. Store disassembled pieces in a secure container to prevent loss.

TROUBLESHOOTING

- **Missing Pieces:** If you find any pieces missing from your kit, please contact nanoblock customer support (refer to the "Warranty and Support" section). Provide details of the missing pieces and your purchase information.
- **Difficulty with Assembly:** If you encounter difficulty following the instructions, re-examine the diagrams closely. Sometimes, rotating a piece or checking the layer below can resolve the issue. Online communities and fan-made tutorials may also offer additional visual guidance.
- **Loose Connections:** Ensure that each block is pressed firmly into place. If connections remain loose, verify that the correct block type is being used as per the instructions.
