## OPERATING INSTRUCTIONS

### Super Mario 3D World

In *Super Mario 3D World*, join Mario, Luigi, Princess Peach, and Toad on a quest to save the Sprixie Kingdom. Navigate through diverse levels, collecting Green Stars and Stamps. The game supports 1-4 players locally or online.

- **Movement:** Use the Left Stick to move your character.
- **Jump:** Press the B button to jump.
- **Dash:** Hold the Y button while moving to dash.

- **Power-Ups:** Collect various power-ups to gain new abilities.

### Key Power-Ups:

- **Super Bell:** Transforms your character into a Cat form, allowing them to climb walls and scratch enemies.
- **Double Cherry:** Creates a clone of your character, doubling your attack power and allowing for strategic puzzle-solving.
- **Cannon Box:** Wear this box to fire projectiles at enemies.

## Multiplayer Options

Both game modes offer multiplayer experiences:

- **Super Mario 3D World:** Supports up to four players in local co-op or online multiplayer.
- **Bowser's Fury:** Supports two players, with one controlling Mario and the other controlling Bowser Jr.

## MAINTENANCE

- **Game Card Care:** Keep the game card clean and free from dust. Store it in its case when not in use.
- **Console Updates:** Ensure your Nintendo Switch console's system software is up to date for optimal game performance and access to online features.
- **Software Updates:** The game may receive software updates. Ensure your console is connected to the internet to download and install these updates.

## TROUBLESHOOTING

- **Game Not Starting:** Ensure the game card is inserted correctly. Restart the Nintendo Switch console.
- **Controller Issues:** Check if your controllers are properly paired and charged. Try re-pairing them if issues persist.
- **Performance Lags:** Ensure your system software and game software are updated. Close any other running applications on the console.
- **Online Connectivity:** Verify your internet connection. A Nintendo Switch Online membership is required for online play.
