

Yaheetech Charles

Yaheetech Charles Mid-Century Modern Dining Chairs (Set of 4) Instruction Manual

INTRODUCTION

Welcome to your new Yaheetech Charles Mid-Century Modern Dining Chairs. This manual provides essential information for assembly, safe use, maintenance, and troubleshooting to ensure optimal performance and longevity of your chairs. Please read this manual thoroughly before assembly and use.

PRODUCT OVERVIEW

Design and Comfort

The Yaheetech Charles dining chairs feature a sleek, armless design with a curved backrest, providing both modern aesthetics and comfortable support. The seats are generously padded with high-density foam and upholstered in durable, easy-to-clean faux leather.

- **Adjustable Protective Footpads:** Each metal leg is equipped with an adjustable footpad to adapt to uneven floors and prevent scratches or damage.
- **Exquisite Design:** A blend of wood-colored chairs with cozy fabric cloth cushions and black durable PU leather, each chair is designed for aesthetic appeal.
- **Armless with Backrest:** The armless design offers unrestricted movement, while the backrest provides essential support and comfort.
- **Comfy Seat:** High-density foam filling ensures a soft and comfortable sitting experience for extended periods.

ASSEMBLY INSTRUCTIONS

Your Yaheetech Charles dining chairs require assembly. Please follow these instructions carefully. It is recommended to assemble the chairs on a soft, clean surface to prevent scratches.

Components Checklist

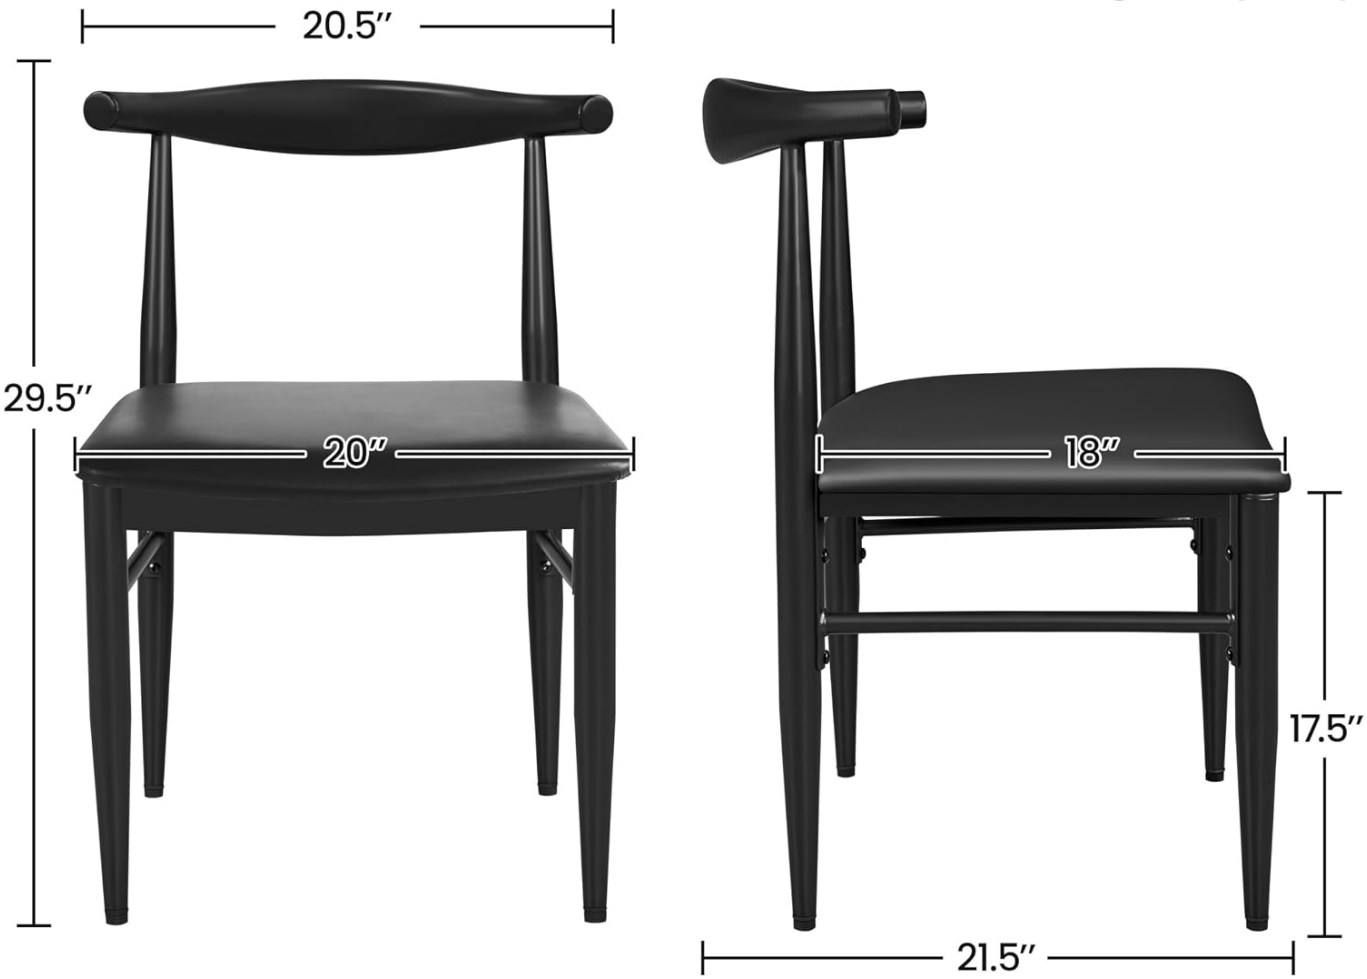

Before starting, ensure all components are present. Refer to the included user manual for a detailed list of parts.

Step-by-Step Assembly

1. Unpack all components and lay them out on a clean, soft surface.
2. Identify the chair frame, seat, and hardware (screws, Allen wrench).
3. Attach the seat to the chair frame using the provided screws. Ensure all screws are loosely aligned before tightening.
4. Once all screws are in place, gradually tighten them evenly. Do not overtighten.
5. Adjust the protective footpads on each leg to ensure stability and prevent wobbling.

Product Dimensions

300 LB
Weight Capacity

USAGE GUIDELINES

- **Weight Capacity:** The maximum recommended weight for each chair is 330 pounds. Do not exceed this limit to ensure safety and product longevity.
- **Placement:** Always use the chairs on a hard, flat, and stable surface.
- **Intended Use:** These chairs are designed for indoor use in dining rooms, kitchens, and living rooms.
- **Adjustable Footpads:** Periodically check and adjust the footpads to maintain stability and prevent floor damage.

CARE AND MAINTENANCE

- **Cleaning:** Wipe clean with a damp cloth. Avoid using harsh chemicals, abrasive cleaners, or solvents that may damage the faux leather upholstery or metal finish.
- **Spills:** Promptly clean any spills to prevent staining and damage to the faux leather.
- **Inspection:** Regularly inspect all screws and connections to ensure they are tight. Tighten them with the appropriate tool if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading, cracking, or damage to the upholstery.

TROUBLESHOOTING COMMON ISSUES

Chair Wobbles

If a chair wobbles, first check the adjustable footpads on each leg. Adjust them individually by rotating until the chair is stable on the floor. Also, ensure all assembly screws are securely tightened.

Loose Screws

Over time, screws may loosen with regular use. Periodically check all screws and tighten them with the appropriate tool. Avoid overtightening, as this can strip the threads.

PRODUCT SPECIFICATIONS

Specification	Detail
Brand	Yaheetech
Model Name	Charles
Color	Black
Material	Faux Leather, Iron
Product Dimensions (D x W x H)	21.7"D x 21"W x 30"H
