# Cecotec Mambo 8590 Multifunction Food Processor User Manual

Model: Mambo 8590 | Brand: Cecotec

## 1. INTRODUCTION

Welcome to your new Cecotec Mambo 8590 Multifunction Food Processor. This appliance is designed to simplify your cooking process with its wide range of functions and powerful performance. Please read this manual carefully before first use to ensure safe and optimal operation, and to fully understand all features and capabilities.

## 2. IMPORTANT SAFETY INSTRUCTIONS

Always follow basic safety precautions when using electrical appliances to reduce the risk of fire, electric shock, and/or injury to persons.

- Read all instructions before using the appliance.
- Do not immerse the main unit, cord, or plug in water or other liquids.
- Unplug from outlet when not in use, before putting on or taking off parts, and before cleaning.
- Close supervision is necessary when any appliance is used by or near children.
- Avoid contact with moving parts.
- The appliance features a **Security Check System**, one of the most advanced safety systems for easily attaching and removing blades without risk of injury. Always ensure components are correctly assembled before operation.
- Do not operate any appliance with a damaged cord or plug or after the appliance malfunctions or has been dropped or damaged in any manner.
- The measuring cup has a specific safety lock to prevent splashes when grinding or using the Turbo function.

## 3. PRODUCT COMPONENTS

Familiarize yourself with the main parts of your Mambo 8590 food processor.

**Figure 3.1:** The Cecotec Mambo 8590 Multifunction Food Processor, showcasing its sleek design and intuitive digital display.

**Figure 3.2:** The Mambo 8590 demonstrating its yogurt-making function with individual jars in the bowl.

**Figure 3.3:** The Mambo 8590 set up for multi-level steaming, with vegetables and eggs in the steamer baskets.

**Figure 3.4:** A top-down view inside the Mambo 8590's stainless steel bowl, showing the sharp cutting blades for chopping and blending.

**Figure 3.5:** A view inside the Mambo 8590 bowl, featuring the exclusive MamboMix spoon designed for kneading dough without cutting it.

**Figure 3.6:** Users consulting a recipe book while operating the Mambo 8590, highlighting its ease of use for various culinary tasks.

## 4. SETUP AND FIRST USE

---

Before using your Mambo 8590 for the first time, follow these steps:

1. **Unpack:** Carefully remove all packaging materials and accessories. Keep packaging for future storage or transport.
2. **Clean Components:** Wash the stainless steel bowl, blades, MamboMix spoon, and all accessories (steamer baskets, spatula, etc.) with warm soapy water. The stainless steel bowl is dishwasher safe. Rinse thoroughly and dry all parts.
3. **Assemble:** Place the main unit on a stable, flat, and dry surface. Insert the stainless steel bowl into the base, ensuring it clicks securely into place. Attach the desired blade or MamboMix spoon into the bowl.
4. **Power Connection:** Plug the appliance into a grounded electrical outlet.

## 5. OPERATING INSTRUCTIONS

---

Your Mambo 8590 is a versatile kitchen robot offering 30 distinct functions to assist you in various cooking tasks. The large, highly intuitive digital screen with a touch control panel allows for easy operation.

### 5.1. Functions Overview

- Chop, Mince, Blend, Grind, Sauté, Mill, Pulverize, Grate, Reheat, Yogurt function, Whip, Emulsify, Mix, Cook, Stir, Steam cook, Poach, Confit, Knead, Low-temperature cook, Boil, Keep warm, Ferment, SlowMambo, Precision cooking degree by degree, Bain-marie cooking, Zero speed, and Turbo function.

### 5.2. Key Features

- **Sauté Function:** The new Sauté function operates at a higher temperature and maximum power to brown food effectively.
- **MamboMix Spoon:** Exclusive MamboMix spoon designed for kneading. It does not cut dough, resulting in more homogeneous and voluminous doughs.
- **Intelligent Heating System:** The intelligent heating power system oscillates from 0 to 10 levels, simulating a traditional flame with low, medium, or high heat, ensuring precise cooking.
- **Customizable Parameters:** Completely customizable in all parameters, allowing you to program time, speed, temperature, heating power, and the Turbo function as desired.
- **Steaming Accessory:** The steaming accessory can be assembled without the bowl lid for convenient steam cooking.
- **Recipe Access:** Includes a complete recipe book and access to interactive social networks, along with new weekly Cecotec recipes.

## 6. MAINTENANCE AND CLEANING

---

Proper maintenance ensures the longevity and optimal performance of your Mambo 8590.

- **Daily Cleaning:** After each use, unplug the appliance and allow it to cool.
- **Bowl and Accessories:** The 3.3 L stainless steel bowl is dishwasher safe. For other accessories like the silicone-coated spatula, wash with warm soapy water and rinse thoroughly.
- **Main Unit:** Wipe the main unit with a damp cloth. Do not immerse the main unit in water.
- **Blades:** Handle blades with care. Use the Security Check System for safe removal and reattachment.
- **Storage:** Store the appliance in a dry, clean place when not in use.

## 7. TROUBLESHOOTING

If you encounter any issues with your Mambo 8590, refer to the following common problems and solutions:

- **Appliance does not turn on:** Ensure the power cord is securely plugged into a working outlet. Check if the bowl and lid are correctly assembled and locked in place.
- **Motor stops during operation:** The appliance may have overheated. Unplug it and let it cool down for at least 30 minutes before restarting. Reduce the load if processing very thick mixtures.
- **Unusual noise:** Check that all components, especially the blades or MamboMix spoon, are correctly installed and secured. Ensure no foreign objects are in the bowl.
- **Food not processed evenly:** Ensure the correct speed and time settings are used for the type of food. For larger quantities, process in smaller batches.

If the problem persists, please contact Cecotec customer support.

## 8. TECHNICAL SPECIFICATIONS

Specification	Value
Brand	Cecotec
Model Number	8435484041393
Color	Black
Product Dimensions (L x W x H)	46.5 x 33.5 x 50 cm
Weight	7.54 kg
Capacity	3300 Milliliters (3.3 Liters)
Power	1700 Watts
Voltage	240 Volts
Material	Stainless Steel
Automatic Shut-off Function	Yes
Number of Speeds	2
Energy Class	A++ to E
Special Feature	Security Check System for safe blade handling
Spare Parts Availability	10 Years
Country of Origin	Spain
Recommended Uses	Grind, Knead, Cut, Mix, Heat, Sauté, Steam Cook
