YFFIZQ B08HN6N72Y

YFFIZQ Multicolor Twinkle Lights User Manual

Model: B08HN6N72Y | Brand: YFFIZQ

1. Introduction

Thank you for choosing the YFFIZQ Multicolor Twinkle Lights. These versatile fairy lights feature 100 LED bulbs on a 36-foot flexible silver wire, offering 8 lighting modes and convenient USB power. Designed for both indoor and outdoor use, they are ideal for enhancing various environments and occasions. Please read this manual thoroughly before use to ensure proper setup and operation.

2. Package Contents

Verify that all items listed below are included in your package:

- 1 x USB 33 feet Fairy Light (100 LED)
- 1 x Remote Control
- 1 x User Manual

Length	33 feet (approx. 10 meters)
Power Source	USB Powered (Corded Electric)

Voltage	3.8 Volts
Wattage	1.85 Watt-hours
Control Method	Remote Control, Button Control (on USB plug)
Special Features	Color Changing, Waterproof (IP65 for string light only)
Indoor/Outdoor Usage	Indoor, Outdoor
Material	Copper Wire

4. Safety Information

Please observe the following safety precautions:

- **Water Resistance:** The LED string light itself is IP65 waterproof, suitable for outdoor use. However, the USB plug is **NOT** waterproof and must be protected from water and moisture.
- **Power Source:** Only use a compatible USB power source (e.g., USB wall adapter, power bank, computer USB port) that provides the correct voltage.
- **Heat:** The LED bulbs are low-heat-emission and will not overheat during prolonged use. However, avoid covering the lights with flammable materials.
- **Children and Pets:** Keep the lights and small components (like the remote control battery) out of reach of small children and pets to prevent choking hazards.
- **Installation:** Do not cut or modify the wire. Ensure the lights are securely installed to prevent accidental falls or damage.

Image: The product highlighting its waterproof feature for the light string, suitable for decorative use in various settings.

5. Setup Instructions

1. **Unpack:** Carefully remove the LED string lights, remote control, and user manual from the packaging.
2. **Uncoil:** Gently uncoil the silver wire string lights. The wire is flexible and can be easily bent into desired shapes.
3. **Placement:** Decide on your desired placement. The lights are suitable for wrapping around objects, draping across surfaces, or placing inside clear containers. Ensure the USB plug is accessible and protected from moisture if used outdoors.
4. **Power Connection:** Insert the USB plug into a compatible USB power adapter (not included), power bank, or computer USB port.

6. Operating Instructions

The YFFIZQ Multicolor Twinkle Lights can be operated using the button on the USB plug or the included remote control.

6.1. USB Button Control

- **Power On/Off:** Plug in the USB to power on. Unplug to power off.
- **Change Modes:** Press the button on the USB plug repeatedly to cycle through the 8 different lighting modes.

6.2. Remote Control Functions

Ensure the remote control has a working battery (1 Lithium Metal battery included). Point the remote directly at the USB receiver for optimal performance.

Button	Function

ON/OFF	Turns the lights On or Off.
1-8	Selects one of the 8 lighting modes (e.g., Combination, In Waves, Sequential, Slo-Glo, Chasing/Flash, Slow Fade, Twinkle/Flash, Steady On).
+/-	Adjusts brightness (from 20% to 100%).
TIMER	Activates a 6-hour on, 18-hour off automatic cycle. Press again to deactivate.

7. Maintenance

- **Cleaning:** To clean the lights, gently wipe them with a soft, dry cloth. Do not immerse the USB plug in water.
- **Storage:** When not in use, carefully coil the lights and store them in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Remote Battery:** If the remote control's range decreases or it stops responding, replace the Lithium Metal battery.

8. Troubleshooting

- **Lights not turning on:**
  - Ensure the USB plug is securely connected to a working power source.
  - Verify the power source is active (e.g., wall outlet is on).
  - Try a different USB power source.
- **Remote control not working:**
  - Check if the remote control's battery is correctly inserted or needs replacement.
  - Ensure there are no obstructions between the remote and the USB receiver.
  - Point the remote directly at the USB receiver.
- **Lights flickering or dim:**
  - Ensure the power source provides sufficient and stable power.
  - Adjust the brightness setting using the remote control.

9. Warranty and Support

YFFIZQ provides a 1-year replacement warranty for manufacturing defects and a 30-day refund policy from the date of purchase. For any issues or support inquiries, please contact YFFIZQ customer service through your retailer or the contact information provided with your purchase documentation.
