Marea B58003/2

Marea B58003/2 Smartwatch User Manual

INTRODUCTION

This manual provides detailed instructions for the safe and effective use of your Marea B58003/2 Smartwatch. Please read this manual thoroughly before operating the device to ensure proper functionality and to prevent damage. Keep this manual for future reference.

SAFETY INFORMATION

- Do not attempt to disassemble or modify the smartwatch. This may void the warranty and cause damage.
- Keep the device away from extreme temperatures, direct sunlight, and corrosive liquids.
- Avoid strong impacts or dropping the device.
- Consult a medical professional before using the smartwatch if you have a pacemaker or other internal electronic medical device.
- Clean the device with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Dispose of the device and its battery according to local environmental regulations.

PACKAGE CONTENTS

Upon opening the package, please verify that all items are present:

- Marea B58003/2 Smartwatch
- Charging Cable
- User Manual (this document)

PRODUCT OVERVIEW

The Marea B58003/2 Smartwatch features a round display housed in a black case, complemented by a black mesh band. It includes physical buttons on the side for navigation and control.

Image Description: A Marea B58003/2 Smartwatch with a black round face and a black mesh strap. The screen displays the time '05:47 PM' and the date '08/05 MON' in bright green digital text against a black background with green circular accents.

SETUP

1. Charging the Smartwatch

Before first use, fully charge your Marea B58003/2 Smartwatch. Connect the charging cable to the designated charging port on the watch and plug the other end into a USB power adapter (not included) or a computer's USB port. The watch display will indicate charging status. A full charge typically takes approximately 2 hours.

2. Installing the Companion Application

To unlock the full functionality of your smartwatch, you need to install its companion application on your smartphone. Search for the official Marea smartwatch application in your device's app store (Google Play Store for Android or Apple App Store for iOS). Download and install the application.

3. Pairing with Your Smartphone

1. Ensure your smartwatch is charged and powered on.
2. Enable Bluetooth on your smartphone.
3. Open the Marea companion application on your smartphone.
4. Follow the in-app instructions to search for and connect to your Marea B58003/2 Smartwatch. You may need to confirm a pairing code on both devices.
5. Once paired, the watch will synchronize time and data with your smartphone.

OPERATING INSTRUCTIONS

1. Power On/Off

- **To Power On:** Press and hold the side button until the screen illuminates.
- **To Power Off:** Navigate to the power-off option in the watch's settings menu or press and hold the side button, then confirm power off.

2. Navigation

- **Touchscreen:** Swipe left, right, up, or down to navigate through menus and screens. Tap to select an option.
- **Side Button(s):** Typically used to return to the home screen, wake the screen, or access specific functions depending on the context. Refer to the in-app guide for specific button functionalities.

3. Key Features

- **Notifications:** Once paired, the smartwatch will display notifications from your smartphone, such as incoming calls, messages, and app alerts. Manage notification settings within the companion app.
- **Text Messaging:** View incoming text messages directly on your watch screen. Reply functionality may vary.
- **Alarm:** Set and manage alarms through the companion application. The watch will vibrate or emit a sound at the set time.

MAINTENANCE

1. Cleaning

Regularly clean your smartwatch to maintain its appearance and functionality. Use a soft, lint-free cloth to wipe the screen and watch body. For stubborn dirt, slightly dampen the cloth with water. Avoid using soap or chemical cleaners.

2. Battery Care

- Avoid completely draining the battery frequently.
- Charge the device using only the provided charging cable.
- Do not leave the device charging for extended periods after it is fully charged.

3. Storage

When not in use for an extended period, store the smartwatch in a cool, dry place. It is recommended to charge the battery to about 50% before long-term storage to preserve battery health.

TROUBLESHOOTING

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger and wait a few minutes before attempting to power it on again.
- **Cannot pair with smartphone:** Make sure Bluetooth is enabled on your phone and the watch. Restart both devices and try pairing again through the companion app. Ensure the app has necessary permissions.
- **Notifications not appearing:** Check notification settings in both your phone's system settings and the Marea companion app. Ensure the app is running in the background and has permission to display notifications.
- **Charging issues:** Verify that the charging cable is securely connected to both the watch and the power source. Try a different USB port or power adapter. Ensure the charging contacts on the watch

are clean.

- **Inaccurate time:** Ensure the watch is properly paired with your smartphone, as it synchronizes time automatically.

If problems persist, consult the support section of the Marea companion application or visit the manufacturer's website for further assistance.
