TELLUR Ambia True Wireless Bluetooth Headphones User Manual

Model: TLL511361

INTRODUCTION

Thank you for choosing the TELLUR Ambia True Wireless Bluetooth Headphones. This manual provides comprehensive instructions to help you set up, operate, and maintain your headphones, ensuring optimal performance and longevity. Please read this manual carefully before using the product.

PRODUCT OVERVIEW

The TELLUR Ambia headphones are designed for a seamless audio experience, featuring true wireless connectivity, smart wear detection, and intuitive controls.

Figure 1: TELLUR Ambia headphones in their open charging case, showcasing both earbuds and the case interior.

Figure 2: Top-down view of the TELLUR Ambia earbuds resting inside their charging case, with the lid open.

PACKAGE CONTENTS

Please ensure all items are present in the package:

- TELLUR Ambia True Wireless Bluetooth Headphones (Left and Right earbuds)
- Charging Case
- USB Charging Cable
- User Manual (this document)

IMPORTANT SAFETY INFORMATION

- Do not expose the headphones or charging case to extreme temperatures, humidity, or liquids.
- Avoid dropping or applying excessive force to the device.
- Do not attempt to disassemble or repair the headphones yourself.
- Keep out of reach of children.
- Dispose of the product responsibly according to local regulations.

SETUP

1. Initial Charging

Before first use, fully charge the headphones and the charging case.

1. Place both earbuds into the charging case.
2. Connect the USB charging cable to the charging port on the case and to a power source (e.g., USB wall adapter, computer USB port).
3. The indicator light on the charging case will show charging status. It will typically turn solid or off when fully charged.

Figure 3: TELLUR Ambia headphones inside the charging case, showing the green indicator light, signifying charging or full charge.

2. Pairing with Your Device

The TELLUR Ambia headphones feature one-step connection and automatic pairing with the last device.

1. Ensure Bluetooth is enabled on your smartphone or audio device.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device, search for Bluetooth devices and select "TELLUR Ambia" from the list.
4. Once connected, you will hear a confirmation tone.

Note: For the first Bluetooth pairing, manual connection is required. Subsequent connections will be automatic when the

case is opened.

Figure 4: A hand holding the TELLUR Ambia charging case next to a smartphone displaying its Bluetooth settings, showing "TELLUR Ambia" as a discoverable device, illustrating the one-step connection process.

OPERATING INSTRUCTIONS

Wear Detection

The infrared sensors detect when you are wearing the earbuds. Music will automatically play when worn and pause when removed.

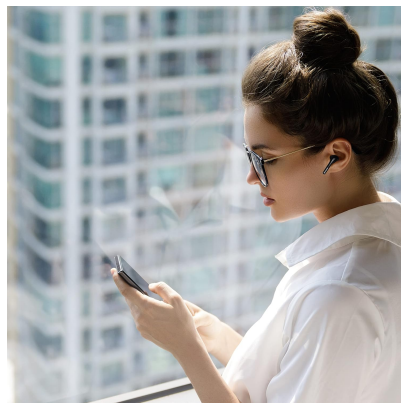

Figure 5: A close-up image showing the TELLUR Ambia earbud being inserted into an ear, highlighting the infrared proximity sensor for automatic ear detection.

Touch Controls

The Ambia headphones feature intuitive tap controls for various functions:

Action	Function
Double tap (Left earphone)	Awake voice assistant
Double tap (Right earphone)	Play/Pause music, Resume audio
Double tap (Either earphone during call)	Answer/End a call
Voice Commands	Accept/Reject call, Play/Pause music, Next/Previous song, Volume Up/Down

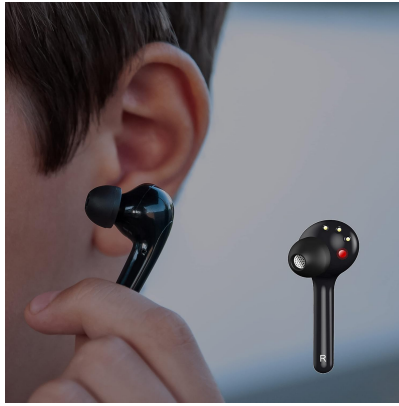

Figure 6: A woman smiling while touching her earbud, demonstrating the ease of tap commands for controlling music and calls.

Making Calls

The headphones support clear hands-free calls with four high-performance microphones and Environmental Noise Cancelling technology.

- **Answering/Ending Calls:** Double tap either earbud.
- **Rejecting Calls:** Use voice commands or your connected device.
- **Dual Talk Time:** Use one earbud at a time to double your hands-free talk time.

Figure 7: A woman sitting outdoors with a laptop, using her TELLUR Ambia headphones for a call, highlighting the clear hands-free call feature.

MAINTENANCE AND CARE

- Clean the earbuds and charging case regularly with a soft, dry cloth.
- Do not use abrasive cleaners or solvents.
- Ensure the charging contacts on both the earbuds and the case are clean and free of debris.
- Store the headphones in their charging case when not in use to protect them and keep them charged.
- The headphones have an IPX4 rating, meaning they can withstand sweat, water drops, and light rain. Do not submerge them in water.

Figure 8: The TELLUR Ambia charging case and one earbud placed on a blue, wet surface with water droplets, demonstrating its IPX4 water resistance.

TROUBLESHOOTING

Problem	Possible Solution
Headphones not pairing	<ul style="list-style-type: none"> ◦ Ensure earbuds are charged. ◦ Turn off and on Bluetooth on your device. ◦ Forget "TELLUR Ambia" from your device's Bluetooth list and re-pair. ◦ Place earbuds back in the case, close, then open again to re-enter pairing mode.
No sound or low volume	<ul style="list-style-type: none"> ◦ Check volume levels on both headphones and your device. ◦ Ensure headphones are properly connected. ◦ Clean earbud mesh if blocked.
