## KEY FEATURES

- **Ample Storage Space:** This freestanding pantry provides significant storage with two large cabinets (upper and lower) and a deep, easy-gliding central drawer. It is suitable for storing a variety of household items, including silverware, knick-knacks, towels, and cookware.
- **Adjustable Shelving:** The cabinet features four shelves, with the top shelf fixed and the lower three adjustable. This allows for flexible storage of different-sized items. Shelves can also be removed to create a single large display alcove. Each adjustable shelf has a maximum weight capacity of 22 lbs.
- **Traditional Design:** With its unique beadboard panel and antique accents, this pantry cabinet adds a touch of farmhouse-style elegance to any room.
- **Safety Features:** Constructed from P2 grade engineered wood with a painted surface, the cabinet includes a reinforced backboard and wall attachments (anti-tip kit) for enhanced stability and safe daily use.

## CARE AND MAINTENANCE

Proper care will extend the life and appearance of your HOMCOM Kitchen Pantry Cabinet:

- Wipe the cabinet surfaces with a dry, soft cloth to remove dust and spills.
- Avoid using abrasive cleaners or harsh chemicals, as these can damage the painted finish.
- Periodically check all hardware connections to ensure they remain tight. Retighten if necessary.
- Keep the cabinet in a dry environment to prevent moisture damage to the engineered wood.
