## MAINTENANCE

To ensure the longevity and cleanliness of your LEGO set, follow these simple maintenance guidelines:

- **Cleaning:** Use a soft brush or cloth to gently remove dust from the bricks. For deeper cleaning, wash LEGO

bricks by hand using lukewarm water (not hot) and a mild detergent. Rinse thoroughly and air dry at room temperature. Do not use hot water, dishwashers, or washing machines, as high temperatures can damage the bricks.

- **Storage:** Store LEGO bricks in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration and warping.
- **Handling:** Avoid excessive force when connecting or disconnecting bricks to prevent damage.

## TROUBLESHOOTING

If you encounter any issues with your LEGO set, consider the following common solutions:

- **Missing Pieces:** Double-check the packaging and surrounding area. Sometimes small pieces can be overlooked. If a piece is genuinely missing, contact LEGO Customer Service for assistance.
- **Difficulty Assembling:** Refer to the instruction manual or the LEGO Building Instructions app. Ensure all steps are followed correctly and that the correct pieces are being used.
- **Loose Connections:** Ensure bricks are firmly pressed together. LEGO connections are designed to be secure.
