Catnapper Malone Power Recliner

Catnapper Malone Power Recliner Instruction Manual

Model: Malone Power Recliner (642577200845)

1. Introduction and Overview

This manual provides essential information for the safe and efficient use of your Catnapper Malone Power Recliner. Please read these instructions thoroughly before assembly and operation to ensure proper function and longevity of your product.

The Catnapper Malone Power Recliner is designed for comfort and durability, featuring a reinforced frame and a steel seat box to support up to 400 pounds. It offers a power recline mechanism with infinite positions, including a "Lay Flat" recline, and an extended ottoman for enhanced leg support.

Key Features:

- Power Recline with Infinite Positions
- Lay Flat Reclining capability
- Extended Ottoman for increased leg room
- Reinforced Frame with a 400-pound weight capacity
- Individually Pocketed Coil Seating with Cool Gel Memory Foam Seat Topper
- Steel Seat Box for enhanced structural strength

2. Safety Information

To prevent injury or damage to your recliner, please observe the following safety precautions:

- **Keep clear of moving parts:** Ensure hands, feet, and pets are clear of the reclining mechanism when operating the chair.
- **Children and pets:** Do not allow children or pets to play on or around the recliner, especially when it is in motion.
- **Weight capacity:** Do not exceed the maximum weight capacity of 400 pounds.
- **Avoid standing on footrest:** Do not stand or sit on the extended footrest.
- **Unplug before cleaning:** Always unplug the recliner from the power outlet before cleaning or performing any maintenance.

- **Proper placement:** Position the recliner away from walls or other furniture to allow for full recline without obstruction. Refer to the dimensions image for required clearance.

3. Setup and Assembly

Your Catnapper Malone Power Recliner requires minimal assembly. Follow these steps to set up your recliner:

1. **Unpack:** Carefully remove all components from the packaging. Retain packaging materials until you are satisfied with the product.
2. **Position:** Place the recliner base in your desired location. Ensure there is adequate space behind the chair for full recline. A minimum distance of 18 inches from the wall is required for full recline.
3. **Connect Power:** Locate the power cord and connect it to the power adapter, then plug the adapter into a standard electrical outlet. Ensure the connection is secure.
4. **Attach Back (if separate):** If the backrest is separate, align the metal receivers on the backrest with the posts on the seat base and slide down firmly until it locks into place. You may hear a click.

Image 3.1: Dimensional diagram of the recliner. Note the 18-inch required distance from the wall for full recline and a fully reclined length of 85 inches.

4. Operating Instructions

Your Catnapper Malone Power Recliner is operated using a wired remote control. Familiarize yourself with the remote before use.

Image 4.1: Power Recliner Remote Control. The illuminated buttons control the recline function.

1. **Recline:** Press and hold the **down arrow button** on the remote control to recline the chair and extend the footrest. Release the button when you reach your desired position. The chair offers infinite reclining positions, including a full "Lay Flat" recline.
2. **Return to Upright:** Press and hold the **up arrow button** on the remote control to bring the chair back to the upright position and retract the footrest. Release the button when the chair is fully upright or at your preferred position.

The power recline mechanism allows for smooth and precise adjustments. Avoid forcing the chair into position manually, as this can damage the motor or mechanism.

5. Maintenance and Care

Proper care will extend the life and appearance of your Catnapper Malone Power Recliner. The recliner features a durable polyester/rayon fabric upholstery.

- **Regular Cleaning:** Vacuum the upholstery regularly using a soft brush attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild, water-free cleaning solvent or a professional upholstery cleaner. Always test any cleaning solution on an inconspicuous area first.
- **Avoid Harsh Chemicals:** Do not use harsh detergents, abrasive cleaners, or bleach, as these can damage the fabric.
- **Protect from Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading of the fabric.
- **Mechanism Care:** The reclining mechanism is designed for long-term use and typically requires no lubrication. Keep the area around the mechanism free of obstructions.
- **Power Cord:** Periodically inspect the power cord for any damage. If damaged, discontinue use and contact customer support.

6. Troubleshooting

If you encounter issues with your recliner, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Recliner does not operate.	No power supply; loose connection; remote control issue.	Ensure power cord is securely plugged into the wall outlet and the recliner. Check if the outlet is functional. Inspect the remote control cable for damage.
Recliner makes unusual noises.	Obstruction in mechanism; loose hardware.	Check for any objects caught in the reclining mechanism. Ensure all visible bolts and screws are tightened. Do not attempt to lubricate the mechanism unless instructed by manufacturer.
Footrest does not extend fully or retract.	Obstruction; mechanism issue.	Verify no objects are blocking the footrest's path. Ensure the power connection is stable. If the issue persists, contact customer support.

If these solutions do not resolve the issue, please contact Catnapper customer support for further assistance.

7. Specifications

Feature	Detail
Brand	Catnapper
Model Name	Malone Truffle Power Recliner
Item Model Number	642577200845
UPC	720368880433
Color	Brown (Truffle)
