2. Preparation and Usage

Freddo Intenso coffee pods are specifically crafted for iced coffee recipes. For optimal enjoyment, follow these instructions:

1. Place a handful of ice cubes into your preferred glass.
2. Brew one Nespresso Freddo Intenso coffee capsule (1.35 oz espresso) directly over the ice.
3. Top off with cold water or cold milk according to your taste preference.

Important Compatibility Note: Nespresso Original Line capsules are exclusively designed for Nespresso Original Line machines. These capsules are **not compatible** with Nespresso VertuoLine machines.

6. Troubleshooting

If you encounter issues such as the capsule not fitting your machine, please verify that you are using a Nespresso Original Line machine. These capsules are specifically designed for Original Line systems and are not compatible with VertuoLine machines or other coffee makers.

For further assistance with machine operation or specific brewing issues, please refer to your Nespresso machine's instruction manual or contact Nespresso customer support.

7. Nespresso Coffee Quality and Sustainability

Nespresso's commitment to quality begins with the careful selection of high-quality coffee beans from specific origins. These beans are sustainably grown and sourced from over 100,000 independent farmers globally. The coffee is then crafted by Nespresso experts, and the extraction technology of Nespresso machines ensures a high-quality cup every time.
