Moooni CFL-1004-03

Moooni 52-Inch Modern Crystal Ceiling Fan User Manual

Model: CFL-1004-03

PRODUCT OVERVIEW

This Moooni 52-inch Modern Crystal Ceiling Fan combines the functionality of a ceiling fan with the elegance of a crystal chandelier. The no-easy rust silver metal frame with 5 wooden blades is environmentally friendly and durable. With a crystal lampshade, it is an elegant choice for various rooms.

Key features include a reversible motor for year-round use, remote control operation with multiple speed and timing options, and compatibility with E12 base bulbs.

SAFETY INFORMATION

Before installation or operation, please read all instructions carefully. Ensure all electrical connections comply with local codes, ordinances, and the National Electric Code (NEC). If you are unfamiliar with electrical wiring, consult a qualified electrician.

- Always disconnect power at the main circuit breaker before attempting any installation or maintenance.
- Ensure the mounting structure can support the weight of the fan (approximately 22.24 lbs / 11 kg).
- Do not bend the blade holders when installing the blades, balancing the blades, or cleaning the fan.
- Keep hands clear of the fan blades when the fan is operating.

INSTALLATION GUIDE

Detailed installation instructions are provided in the included manual. For a comprehensive guide, please refer to the [Installation Manual \(PDF\)](#).

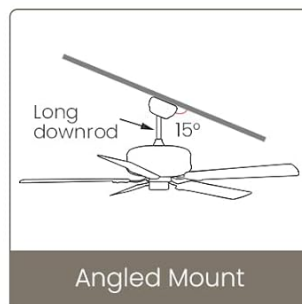

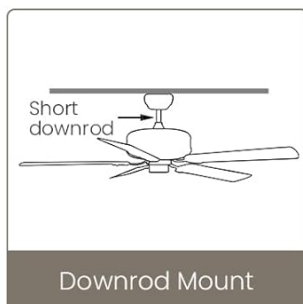

Pre-Installation Considerations:

- **Fixture Dimensions:** Fan Blade Size: 52 inches (130 cm) diameter. Total Height: 25 inches (64 cm) when using the 5-inch downrod. Lampshade Size: 12 inches (30 cm) diameter x 10 inches (25 cm) height.
- **Downrods:** Two down-rods (5-inch and 10-inch) are included. Select the appropriate rod based on your ceiling height. Contact customer service if a longer rod is required.
- **Bulbs:** Requires 3 E12 base bulbs (not included), with a maximum wattage of 40 watts per bulb. Compatible with LED, CFL, and Incandescent bulbs.

OPERATING INSTRUCTIONS

The Mooni ceiling fan is operated via the included remote control, offering convenient adjustments for fan speed, light, and timing.

Remote Control Functions:

- **Fan Speeds:** Select from 6 different fan speeds (1/2/3/4/5/6) to achieve your desired airflow.
- **Timing Options:** Set the fan to turn off automatically after 1 hour, 2 hours, or 4 hours.
- **Light Control:** Turn the light kit on or off.

Image: An infographic highlighting the fan's key features, including remote control, reversible motor, six-speed settings, inverter motor, 1H/2H/4H timing, and easy assembly.

Reversible Motor for All Seasons:

The fan features a reversible airflow function, allowing you to optimize comfort throughout the year:

- **Summer Mode (Downward Airflow):** Set the fan to rotate counter-clockwise to create a refreshing downward breeze, providing a cooling effect.
- **Winter Mode (Upward Airflow):** Set the fan to rotate clockwise to circulate warm air trapped near the ceiling downwards, helping to distribute heat more evenly.

Suitable For All Seasons!

Forward Wind
Refreshing and Pleasant
For Hot days

Reverse Wind
Circulate Airflow Upwards
For Cold days

Image: A visual diagram demonstrating the two airflow directions: downward for cooling in hot weather and upward for circulating warm air in cold weather.

MAINTENANCE

Regular maintenance helps ensure the longevity and optimal performance of your ceiling fan.

- **Cleaning:** To clean the fan, wipe with a soft, damp cloth. Do not use abrasive cleaners or solvents, as these may damage the finish or crystal components.
- **Blade Cleaning:** Dust the fan blades regularly to prevent dust buildup, which can affect fan balance and performance.
- **Crystal Care:** Gently wipe the crystal components with a soft, lint-free cloth to maintain their sparkle.
- **Tighten Fasteners:** Periodically check and tighten all screws and fasteners on the fan and mounting hardware to ensure secure operation.

TROUBLESHOOTING

If you encounter any issues with your Moooni ceiling fan, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Fan does not start	No power to the fan; Loose wire connections; Remote control battery low.	Check circuit breaker and wall switch. Ensure all wiring connections are secure. Replace remote control batteries.
Fan is noisy	Loose screws; Fan blades unbalanced; Motor housing rubbing.	Tighten all screws on the fan assembly. Ensure blades are balanced using a balancing kit (if necessary). Check for any obstructions.
Light does not work	Bulb faulty or not installed correctly; Loose wire connection; Remote control issue.	Check and replace bulbs. Verify light kit wiring. Ensure remote control is functioning correctly.

If the issue persists after attempting these steps, please contact Moooni customer support for further assistance.

SPECIFICATIONS

Attribute	Detail
Brand	Moooni
Model Number	CFL-1004-03
Product Dimensions	52"L x 52"W x 7.5"H (Overall)
Fan Blade Size	52 inches (130 cm)
Lampshade Size	12 inches (30 cm) diameter x 10 inches (25 cm) height
Materials	Iron, Chrome, K9 Crystal, Wood (Blades)
Color	Silver (Fixture), Clear (Shade)
Light Source Type	E12 (Bulbs not included)
Max Wattage per Bulb	40 watts
Voltage	AC 90-265 Volts
Control Method	Remote Control, Switch Control

Attribute	Detail
Number of Blades	5 Wooden Blades
Item Weight	22.24 Pounds (approx. 11 kg)
Room Type Compatibility	Kitchen, Bedroom, Living Room, Cloak Room, Dining Room
Indoor/Outdoor Usage	Indoor
Special Feature	Timer, Reversible Motor
Assembly Required	Yes

WARRANTY AND SUPPORT

Moooni stands behind the quality of its products.

- **Product Warranty:** A 1-year guarantee is provided for the chandelier fan.
- **Motor Warranty:** The fan motor part comes with a lifetime guarantee.

For any inquiries, technical assistance, or to request a longer downrod, please contact Moooni customer service. Refer to your purchase documentation for specific contact details or visit the official Moooni store on Amazon: [Moooni Store](#).
