Minions: The Rise of Gru Sing 'N Babble Stuart Interactive Action Figure

Model: GWR66

Brand: Mattel

INTRODUCTION

The Minions Sing 'n Babble Stuart figure is an interactive toy designed to bring the fun of the Minions movies to life. This figure stands approximately 4 inches (10.2 cm) tall and features over 25 Stuart-specific sounds, including chatter, songs, and laughter. Stuart can interact with other Minion Sing 'n Babble characters, recognizing them and responding by name. The figure comes with a blaster accessory and has moveable joints for various display and play options.

SETUP

Battery Installation

The Minions Sing 'n Babble Stuart figure comes with 3 LR44 batteries pre-installed. If replacement is needed:

1. Locate the battery compartment on the back or bottom of the figure.
2. Using a small Phillips head screwdriver (not included), unscrew the battery compartment cover.
3. Remove the old batteries and insert three new LR44 batteries, ensuring correct polarity (+/-).
4. Replace the battery compartment cover and secure it with the screw.

Attaching Accessories

The blaster accessory can be attached to Stuart's hand. The figure features universal handgrips, allowing accessories to be swapped with other same-sized Minion figures.

EACH FIGURE SOLD SEPARATELY. SUBJECT TO AVAILABILITY.

INTERACTIVE FEATURES

Stuart is designed to interact with other Minion Sing 'n Babble characters (sold separately). When placed near other figures, Stuart will recognize them and engage in conversations, calling them by name, singing, and laughing together. This feature enhances play by creating a dynamic and responsive environment.

MAINTENANCE

- **Cleaning:** Wipe the figure with a damp cloth. Do not immerse in water.
- **Storage:** Store in a cool, dry place away from direct sunlight.
- **Battery Care:** Remove batteries if the toy will not be used for an extended period to prevent leakage.

TROUBLESHOOTING

No Sound or Intermittent Sound

- **Check Batteries:** Ensure batteries are correctly installed and not depleted. Replace with fresh LR44 batteries if necessary.
- **Activation:** Confirm you are pressing down firmly on the top of the figure's head.

Interaction Issues with Other Figures

- **Proximity:** Ensure figures are placed close enough to each other for interaction.
- **Battery Levels:** Low batteries in any of the interacting figures can affect communication.
