Apple MH0D3ZM/A

Apple Smart Folio for 10.9-inch iPad Air (4th Generation) User Manual

1. INTRODUCTION AND OVERVIEW

The Apple Smart Folio is an accessory designed specifically for the 10.9-inch iPad Air (4th Generation). It provides protection for both the front and back of your device and offers versatile functionality through its foldable design. Constructed from a single piece of durable polyurethane, the Smart Folio integrates seamlessly with your iPad Air.

2. PACKAGE CONTENTS

Verify that your package contains the following item:

- One (1) Apple Smart Folio for 10.9-inch iPad Air (4th Generation) - Black

3. FEATURES

The Apple Smart Folio offers several key features to enhance your iPad Air experience:

- **Automatic Wake/Sleep:** The Smart Folio automatically wakes your iPad when opened and puts it to sleep when

closed, helping to conserve battery life.

- **Multi-position Stand:** The folio can be easily folded into various positions to create a stable stand for different activities.
- **Front and Back Protection:** Constructed from a single piece of polyurethane, it provides comprehensive protection for both the display and the back casing of your iPad Air.

4. SETUP

Attaching the Smart Folio to your iPad Air is a simple process:

1. Ensure your 10.9-inch iPad Air (4th Generation) is clean and free of any debris on its back surface.
2. Align the Smart Folio with the back of your iPad Air. The folio uses magnets to securely attach to the device.
3. Gently press the iPad into place, ensuring the camera cutout on the folio aligns correctly with your iPad's camera. The magnetic connection will snap the folio into position.

5. OPERATING INSTRUCTIONS

The Smart Folio's design allows for various viewing and typing angles:

- **Viewing Stand:** To position your iPad for viewing videos, making FaceTime calls, or browsing, fold the front cover into a triangular stand. The magnetic connection will hold this shape securely.

Figure 3: iPad Air in viewing stand configuration.

- **Typing Stand:** For a more ergonomic typing experience, fold the front cover into a lower-angle stand. This position is ideal for working on documents or sending emails.

6. MAINTENANCE

To keep your Smart Folio in optimal condition:

- Gently wipe the exterior with a soft, damp, lint-free cloth.
- Avoid using harsh chemicals, abrasive cleaners, or solvents, as these can damage the material.
- Ensure the folio is completely dry before reattaching it to your iPad.

7. TROUBLESHOOTING

If you encounter any issues with your Smart Folio, consider the following:

- **Folio not attaching securely:** Ensure the back of your iPad Air and the Smart Folio are clean and free of any obstructions. Realign the folio to ensure proper magnetic connection.
- **Automatic wake/sleep not working:** Verify that the 'Lock/Unlock' feature is enabled in your iPad's settings under 'Display & Brightness'. If the issue persists, try detaching and reattaching the Smart Folio.

8. SPECIFICATIONS
