KENT Zoom

KENT Zoom Vacuum Cleaner

USER INSTRUCTION MANUAL

1. Introduction and Overview

The KENT Zoom Vacuum Cleaner is a powerful, cordless, hoseless, and rechargeable cleaning solution designed for convenience and efficiency. Featuring advanced cyclonic technology and a bagless design, it ensures thorough cleaning of various surfaces while reducing air pollution with its washable HEPA filter. Its lightweight ABS body and multi-nozzle operation make it easy to handle and versatile for all your cleaning needs.

2. Product Features

- **Cordless and Hoseless Design:** Offers ultimate portability and freedom to clean every corner without tangled wires or restrictive hoses.
- **Rechargeable Operation:** Provides approximately 30 minutes of continuous cleaning on a full charge, with a charging time of 4-5 hours.
- **Washable HEPA Filter:** Effectively reduces air pollution by trapping fine dust particles, ensuring cleaner exhaust air. The filter is easily removable and washable for convenient maintenance.
- **Powerful 130W Motor:** Equipped with advanced force technology to suck dust particles of any size, ensuring powerful and efficient cleaning.
- **Bagless Design:** Eliminates the need for dust bags, making dust disposal super easy and hygienic with a one-click drop-off mechanism.

- **Multi-Nozzle Operation:** Includes various attachments for versatile cleaning across different surfaces and hard-to-reach areas.
- **Lightweight ABS Body:** Designed for easy handling and maneuverability, reducing fatigue during extended cleaning sessions.

3. Components and What's in the Box

Your KENT Zoom Vacuum Cleaner package includes the following items:

- KENT Zoom Vacuum Cleaner Main Unit (01)
- Extension Tube (01)
- 2-in-1 Crevice Tool (01)
- Motorized Floor/Carpet Brush (01)
- Power Adapter (01)

- Wall Mounting Accessories (01 set)
- Multi Nozzle (01)
- User Manual (01)

4. Setup and Installation

Follow these steps to set up your KENT Zoom Vacuum Cleaner for first use:

1. **Charge the Unit:** Before first use, fully charge the vacuum cleaner using the provided power adapter. Plug the adapter into the charging port on the main unit and then into a power outlet. The LED indicator lights will blink during charging and remain solid when fully charged. A full charge takes approximately 4-5 hours.
2. **Attach Extension Tube:** To clean floors or high areas, align the black pins of the extension tube with the corresponding slots on the main unit and insert until you hear a click.
3. **Attach Motorized Floor/Carpet Brush:** For floor and carpet cleaning, attach the motorized floor/carpet brush to the end of the extension tube. Ensure it clicks securely into place.
4. **Attach 2-in-1 Crevice Tool:** For tight spaces like sofa gaps or car interiors, connect the 2-in-1 crevice tool directly to the main unit or the extension tube. This tool can be used with or without its brush attachment.
5. **Attach Multi Nozzle:** For hard surfaces or general dusting, attach the multi nozzle tool to the main unit or extension tube.
6. **Wall Mounting (Optional):** For convenient storage and charging, you can wall-mount the unit. Install the provided holder using the screws and screw holders. Once installed, the vacuum cleaner can be securely hung on the wall.

5. Operation

Operating your KENT Zoom Vacuum Cleaner is simple and intuitive:

1. **Power On/Off:** Press the power button on the main unit to turn the vacuum cleaner on or off.
2. **Normal Mode:** For everyday cleaning, the vacuum cleaner operates in its standard suction mode.
3. **Max Mode:** For heavily soiled areas or stubborn dirt, press the "Max" button to activate maximum suction power.
4. **Using Attachments:**
 - **Motorized Floor/Carpet Brush:** Ideal for deep cleaning floors, carpets, sofas, and car mats. The integrated lights illuminate the cleaning path.
 - **Extension Tube:** Use with other attachments to reach high areas like ceiling fans, cobwebs, or under furniture without bending.
 - **2-in-1 Crevice Tool:** Perfect for narrow gaps, corners, car dashboards, gearboxes, and other hard-to-reach spots.
 - **Multi Nozzle:** Suitable for cleaning hard surfaces, curtains, and upholstery.

Figure 5.2: Cleaning high areas with the extension tube and multi-nozzle tool.

6. Maintenance

Regular maintenance ensures optimal performance and longevity of your vacuum cleaner:

1. **Dust Disposal:** The bagless design allows for easy dust disposal. Simply press the button on the dust container to open the bottom flap and empty the collected debris directly into a trash bin.
2. **Cleaning the HEPA Filter:** The HEPA filter is washable. Remove the filter from the dust cup by twisting it. Rinse it under running water until clean. Ensure the filter is completely dry before reinserting it into the dust cup.
3. **Cleaning the Dust Cup:** Wipe the transparent dust cup with a dry cloth to remove any remaining dust or residue. Do not wash the dust cup with water.

7. Troubleshooting

If you encounter any issues with your KENT Zoom Vacuum Cleaner, please refer to the following common

troubleshooting tips. For more complex problems, contact customer support.

- **Vacuum Cleaner Not Turning On:**
 - Ensure the battery is fully charged.
 - Check if the power button is pressed correctly.
- **Reduced Suction Power:**
 - Empty the dust cup if it's full.
 - Clean the HEPA filter as per maintenance instructions.
 - Check for any blockages in the extension tube or attachments.
- **Short Battery Runtime:**
 - Ensure the unit is fully charged (4-5 hours).
 - Battery performance may decrease over time with extensive use.

8. Specifications

Feature	Detail
Brand	KENT
Model Name	Zoom
Special Feature	Bagless, HEPA Filtration
Filter Type	HEPA Filter
Cordless	Yes
Capacity	0.5 litres
Wattage	130 Watts
Runtime	30 minutes
