1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Sauder Harbor View Corner Computer Desk, Model 425847. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Safety Information

The desk features a slide-out keyboard/mouse shelf with metal runners and safety stops. Ensure all components are securely fastened during assembly to prevent injury. Always follow recommended assembly procedures. This product is designed for adult use.

Video 1.2: A brief overview of the Sauder Harbor View Corner Computer Desk, highlighting its design and features.

2. SETUP & ASSEMBLY

Assembly of the Sauder Harbor View Corner Computer Desk requires two people and typically takes 3-4 hours. Ensure you have adequate space and the necessary tools (screwdriver) before starting. Follow the steps below for proper construction.

2.1 Identifying Drawer Rails

Proper identification of drawer rails is essential for correct assembly. Refer to the video below to distinguish between cabinet and drawer rails, and left and right orientations.

Video 2.1: This video demonstrates how to correctly identify the different types of drawer rails (cabinet left, cabinet right, drawer left, drawer right) and their components (flange, roller) for the Sauder Harbor View desk assembly.

2.2 Assembling Cam and Dowel Fasteners

The desk utilizes cam and dowel fasteners for secure connections. The following video illustrates the correct method for assembling these components, including cam dowels, cam screws, and hidden cams.

Video 2.2: This video provides a step-by-step guide on how to assemble cam and dowel fasteners, including proper alignment and tightening techniques for a secure connection in your Sauder desk.

2.3 General Assembly Tips

- **Unpack and Organize:** Lay out all parts and hardware. Verify against the parts list (provided in your physical manual) to ensure all components are present.
- **Identify Components:** Pay close attention to part numbers and labels. Some parts may appear similar but have subtle differences.
- **Use Proper Tools:** A Phillips head screwdriver is typically required. Avoid over-tightening screws to prevent damage to the engineered wood.
- **Follow Step-by-Step:** Do not skip steps. Ensure each connection is firm before proceeding.
- **Consider Location:** Assemble the desk in the room where it will be used, as it can be heavy and difficult to move once fully assembled.

3. OPERATION

Your Sauder Harbor View Corner Computer Desk is designed for efficient and comfortable use. Familiarize yourself with its features:

- **L-Shaped Desktop:** Provides a large surface area for multiple monitors, documents, and other office essentials.
- **Slide-Out Keyboard/Mouse Shelf:** Located beneath the main desktop, this shelf glides on smooth metal runners for easy access and ergonomic positioning of your keyboard and mouse.
- **Storage Drawers:** Two easy-access storage drawers are provided for miscellaneous office items. The lower drawer is designed to hold letter or European size hanging files, keeping important documents organized.
- **Hidden Storage Area:** Behind the framed panel door, an adjustable shelf offers concealed storage. This area can also accommodate a vertical CPU tower.
- **Grommet Hole:** A grommet hole is integrated into the desktop to help manage and route cables, keeping your workspace tidy.

Image 3.2: The three storage drawers, featuring metal pull handles and varying depths for diverse storage needs.

4. MAINTENANCE

To ensure the longevity and appearance of your Sauder Harbor View Corner Computer Desk, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the Salt Oak finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary, but do not over-tighten.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the finish.
- **Protect Surfaces:** Use coasters under beverages and desk pads under heavy or sharp objects to prevent scratches and water rings.

5. TROUBLESHOOTING

If you encounter issues with your desk, consider the following common solutions:

- **Wobbly Desk:** Ensure all cam and dowel connections are fully tightened. Check that the desk is on a level surface. Adjust leg levelers if present, or place shims under the base if needed.
- **Drawers Not Sliding Smoothly:** Verify that the drawer rails are correctly installed and free of obstructions. Lubricate metal runners with a silicone-based lubricant if necessary. Ensure the drawer box itself is assembled squarely.
- **Parts Missing or Damaged:** Refer to the Warranty & Support section for information on obtaining replacement parts.
- **Assembly Difficulty:** Review the assembly videos and instructions carefully. Sometimes a fresh look or a second pair of hands can help identify overlooked steps.

6. SPECIFICATIONS

Feature	Detail
Brand	Sauder
Model Number	425847
Model Name	Harbor View
Finish Type	Salt Oak finish
Product Dimensions (L x W x H)	66.14"D x 93.5"W x 30.25"H
Item Weight	178 Pounds
Base Material	Engineered Wood
Drawer Glide Material	Metal
Number of Drawers	3
Number of Enclosed Shelves	1
Required Assembly	Yes
Recommended People for Assembly	2

7. WARRANTY & SUPPORT

7.1 Warranty Information

Your Sauder Harbor View Corner Computer Desk is covered by a **5-year limited warranty**. This warranty protects your investment and ensures lasting peace of mind. For specific details regarding coverage and terms, please refer to the warranty documentation included with your product or contact Sauder customer service.

7.2 Customer Support

For assistance with assembly, missing parts, or any other product-related inquiries, please contact Sauder customer support. Contact information can typically be found on the packaging or on the official Sauder website. Have your model number (425847) and purchase information ready when contacting support.
