Winia WRFS26SUJE

Winia WRFS26SUJE 25.5 Cu. Ft. French Door Refrigerator User Manual

INTRODUCTION

This manual provides essential information for the safe and efficient operation, installation, and maintenance of your Winia WRFS26SUJE 25.5 Cu. Ft. French Door Dispenser Refrigerator. Please read all instructions carefully before using the appliance and retain this manual for future reference.

The Winia WRFS26SUJE refrigerator features a 25.5 cubic feet capacity, including approximately 18 cubic feet for refrigeration and 8 cubic feet for freezing. Key features include a dual ice maker, a water and ice dispenser, a temperature control zone full-width pantry drawer, adjustable shelves, humidity-controlled crispers, and a Neutra Fresh filter for odor control.

SETUP AND INSTALLATION

Unpacking and Placement

Carefully remove all packaging materials. Ensure the refrigerator is placed on a level, stable surface. Allow adequate clearance around the appliance for proper ventilation and door opening. Refer to the dimensions image for precise measurements.

Figure 2: Refrigerator dimensions for proper placement.

Electrical and Water Connections

Connect the refrigerator to a dedicated 110-volt, 3-prong grounded electrical outlet. For models with a water and ice dispenser, ensure a water shut-off valve is within 6 feet of the appliance and is corrosion-free. It is recommended to have a qualified technician perform the water line connection.

OPERATING INSTRUCTIONS

Temperature Control

The refrigerator features adjustable temperature settings for both the fresh food and freezer compartments. Utilize the flexible temperature zone full-width pantry drawer for optimal storage of specific items like meat, deli products, or produce.

Ice and Water Dispenser

Your refrigerator is equipped with a water and ice dispenser, including a dual ice maker to ensure a continuous supply of ice. The dispenser provides filtered water and allows selection between cubed and crushed ice.

Storage Features

The interior is designed for flexible storage with adjustable shelves to accommodate items of various heights. Humidity-controlled crisper bins help maintain ideal conditions for fruits and vegetables, extending their freshness. Gallon-size door bins provide ample space for larger containers.

MAINTENANCE

Filter Replacement

The refrigerator includes a built-in 2-in-1 deodorizer and anti-bacterial Neutra Fresh filter to keep the interior smelling fresh. Regularly check and replace the air filter as recommended by the manufacturer. The water filter should also be replaced periodically to ensure clean, fresh water from the dispenser.

Figure 6: Location of the Neutra Fresh Air Filtration System inside the refrigerator.

Cleaning

Regularly clean the interior and exterior surfaces of the refrigerator with a mild detergent and soft cloth. Avoid abrasive cleaners or solvents that could damage the finish. Ensure the condenser coils are free of dust and debris for optimal performance.

TROUBLESHOOTING

If you experience issues with your refrigerator, please consult the following general troubleshooting tips before contacting service:

- **No Power:** Check if the power cord is securely plugged into a grounded outlet. Verify that the circuit breaker has not tripped.
- **Refrigerator Not Cooling:** Ensure the temperature settings are correct. Check for obstructions around the condenser coils. Avoid overloading the refrigerator, which can restrict airflow.
- **Ice Maker Not Producing Ice:** Confirm the ice maker is turned on and the water supply line is connected and not frozen. Check if the water filter needs replacement.
- **Water Dispenser Not Working:** Verify the water supply is connected and the water filter is not clogged. Ensure the dispenser lock is not activated.
- **Unusual Noises:** Some operational noises are normal (e.g., fan, defrost cycle). If noises are excessive or unusual, ensure the refrigerator is level and not touching walls or cabinets.

For persistent issues, refer to the detailed troubleshooting section in your full product manual or contact Winia customer support.

SPECIFICATIONS

Feature	Detail
Brand	Winia
Model Number	WRFS26SUJE
Capacity	25.5 Cubic Feet (approx. 18 Cu. Ft. Refrigerator, 8 Cu. Ft. Freezer)
