# TMEDW Meat Chopper Instruction Manual

Model: B08JM5FJ7Y

## INTRODUCTION

Thank you for choosing the TMEDW Meat Chopper. This versatile kitchen tool is designed to efficiently break up and mash various food items, including ground meats, vegetables, and fruits. Constructed from food-grade, heat-resistant nylon, it ensures safe and effective use with non-stick cookware. This manual provides essential information for the proper use and care of your meat chopper.

## PRODUCT FEATURES

- **Efficient Chopping:** Features 5 beveled and curved blades for quicker and easier food breakdown.
- **Safe Material:** Made from food-grade nylon, ensuring it is non-stick, odorless, and BPA-free.
- **Heat Resistant:** Designed to withstand high temperatures up to 430°F (220°C) without deforming.
- **Ergonomic Handle:** The handle is designed to fit comfortably in hand, providing a non-slip grip and reducing hand fatigue during prolonged use.
- **Non-Scratch:** Safe for use on all types of cookware, including non-stick surfaces, without causing damage.
- **Multi-functional:** Ideal for chopping ground meats (beef, turkey, chicken), mashing potatoes, fruits, vegetables, and mixing other food types.
- **Easy to Clean:** Features an anti-dirt design and is dishwasher safe for convenient cleaning.

## SETUP

The TMEDW Meat Chopper requires no assembly. Before first use, wash the tool thoroughly with warm, soapy water or place it in a dishwasher. Rinse completely and dry.

## OPERATING INSTRUCTIONS

The meat chopper is designed for ease of use across various cooking tasks.

1. **For Ground Meats:** While cooking ground beef, turkey, or chicken in a pan, press the chopper down into the

meat and twist. The 5 curved blades will efficiently break up large chunks into smaller, evenly cooked pieces. Repeat until desired consistency is achieved.

2. **For Mashing:** Use the chopper to mash cooked potatoes, avocados for guacamole, or soft fruits and vegetables. Apply downward pressure and rotate to achieve a smooth or chunky texture as preferred.
3. **For Mixing:** The tool can also be used to mix ingredients in bowls or pans, ensuring even distribution.

Still chasing ground meat around in the pan with a wooden spoon ?

Try the Mix Chopper

*Image: The meat chopper is also effective for mashing soft fruits like strawberries.*

## MAINTENANCE AND CLEANING

---

To maintain the longevity and hygiene of your TMEDW Meat Chopper:

- **Hand Washing:** Wash immediately after use with warm water and dish soap. The anti-dirt design allows for easy rinsing.
- **Dishwasher Safe:** The meat chopper is safe for cleaning in the dishwasher. Place it on the top rack for best results.
- **Storage:** Store in a dry place, away from direct heat sources.

## TROUBLESHOOTING

---

The TMEDW Meat Chopper is a simple and durable tool. Should you encounter any issues, please consider the following:

- **Food Sticking:** Ensure the tool is cleaned promptly after use. For stubborn residue, soak in warm, soapy water before scrubbing.
- **Damage to Cookware:** The nylon material is designed to be non-scratch. If you observe any scratching,

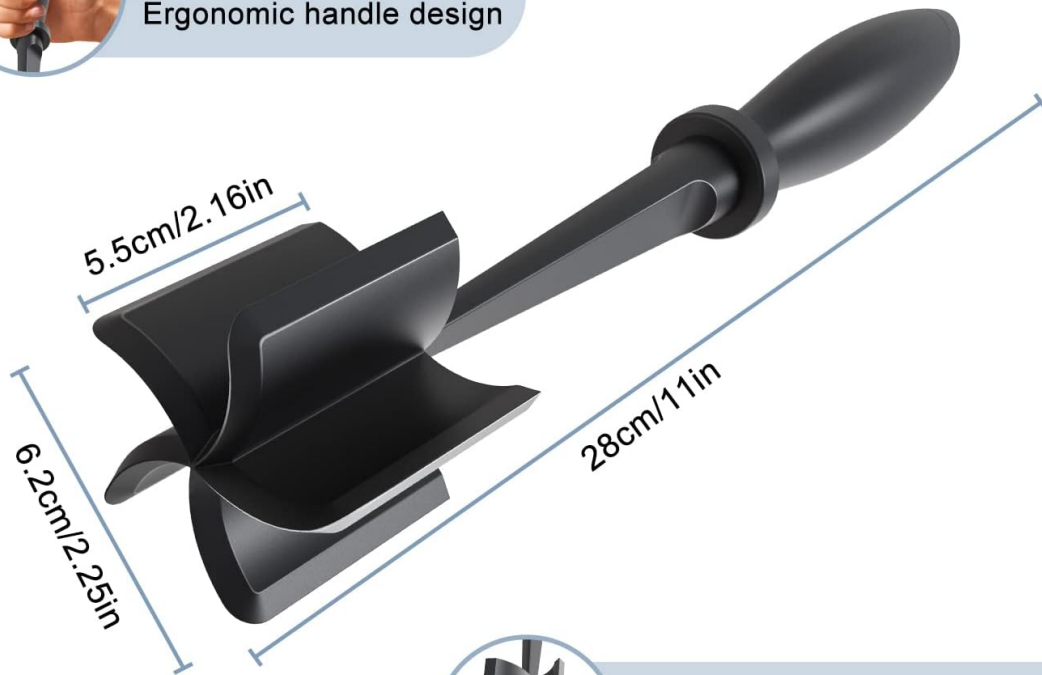

verify that the tool is being used correctly and not with excessive force or on damaged pan surfaces.

## SPECIFICATIONS

Feature	Detail
Model Number	B08JM5FJ7Y
Brand	TMEDW
Material	Food-Grade Nylon
Color	Black
Heat Resistance	Up to 430°F (220°C)
Product Dimensions	11.02 x 2.44 x 0.01 inches (11"L x 2.25"W)
