VINGLI 63" White

VINGLI LED TV Stand Instruction Manual

MODEL: 63" WHITE

1. INTRODUCTION

Thank you for choosing the VINGLI LED TV Stand. This modern entertainment center is designed to enhance your living space with its high-gloss finish, integrated LED lighting, and ample storage solutions. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure a smooth and enjoyable experience with your new TV stand.

Key features include two soft-close drawers, open shelving, and a customizable RGB LED lighting system with 20 colors and 22 dynamic modes. The stand is suitable for TVs up to 70 inches and features a durable, waterproof surface for easy cleaning.

The VINGLI LED TV Stand, showcasing its sleek design and integrated LED lighting.

2. SAFETY INFORMATION

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Ensure the TV stand is placed on a flat, stable, and level surface to prevent tipping.
- Do not overload the TV stand. Refer to the specifications for weight limits.
- Handle glass components with care to avoid breakage and injury.
- For electrical components (LED lights), ensure proper connection to a suitable power source. Do not expose to water or excessive moisture.
- Two people are recommended for assembly to ensure safety and ease of construction.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support immediately.

- Main body panels (top, bottom, side panels)
- Drawer components (fronts, sides, backs, bottoms)
- Glass shelves
- LED light strip kit with remote control

- Assembly hardware (screws, dowels, cam locks, drawer slides, etc.)
- Instruction manual

The high-gloss finish ensures durability and ease of cleaning.

4. SETUP AND ASSEMBLY

Assembly typically takes approximately 45 minutes with two people. Please follow the numbered steps in the included instruction booklet for detailed diagrams and part identification. Ensure you have a Phillips head screwdriver and a hammer (optional, for dowels) ready.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Identify each part using the labels and diagrams in the separate assembly guide.
2. **Assemble the Main Frame:** Connect the side panels to the base and top panels using the provided hardware (cam locks and dowels). Ensure all connections are secure.
3. **Install Drawer Slides:** Attach the drawer slides to the interior of the TV stand frame and to the drawer side panels as indicated in the assembly guide.

4. **Assemble Drawers:** Construct the two center drawers by attaching the side, back, and bottom panels to the drawer fronts. The drawers feature soft-close mechanisms for smooth operation.
5. **Insert Glass Shelves:** Carefully place the glass shelves into the designated slots in the open compartments.
6. **Attach Support Legs:** Secure the robust support legs to the bottom of the TV stand.
7. **Install LED Lighting:** Adhere the RGB LED light strips to the underside of the top panel and within the open compartments as shown in the LED kit instructions. Connect the power supply and remote receiver.

Meticulously Crafted Details

Smooth Sliding Tracks

Ample Storage Space

Durable Tempered Glass

The TV stand features smooth sliding tracks for drawers, ample storage, and durable tempered glass shelves.

5. OPERATING INSTRUCTIONS

5.1. LED Lighting System

The VINGLI LED TV Stand comes with an integrated RGB LED lighting system. Use the included remote control to operate the lights.

- **Power On/Off:** Press the power button on the remote to turn the lights on or off.
- **Color Selection:** Choose from 20 static colors by pressing the corresponding color buttons on the remote.
- **Dynamic Modes:** Select from 22 dynamic modes (e.g., flash, strobe, fade, smooth) to create different lighting effects.
- **Brightness Adjustment:** Use the brightness up/down buttons to adjust the intensity of the lights.
- **Speed Adjustment:** For dynamic modes, use the speed buttons to increase or decrease the transition speed.

Customize your ambiance with 20 light colors and 22 dynamic modes.

5.2. Storage Features

The TV stand offers versatile storage options:

- **Center Drawers:** Two spacious drawers provide concealed storage for media accessories, remotes, or other items. These drawers feature a soft-close mechanism to prevent slamming.
- **Open Shelves:** The open compartments with glass shelves are ideal for displaying decorative items, media players, or gaming consoles.

The TV stand provides ample storage with two center drawers and open shelves.

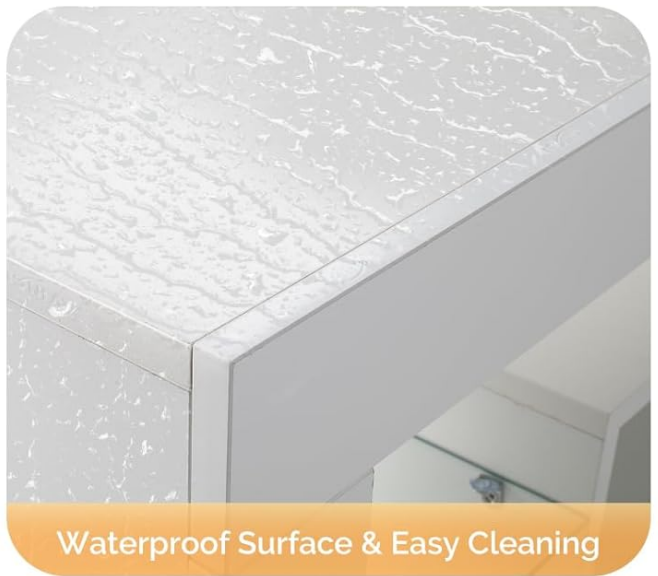

6. MAINTENANCE

To maintain the appearance and longevity of your VINGLI LED TV Stand, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or harsh chemicals, as they may damage the high-gloss finish.
- **Spills:** The high-gloss surface is designed to be waterproof. In case of spills, wipe them immediately to prevent any potential damage or staining.
- **LED Lights:** Ensure the LED light strips and connections are kept dry and free from dust. If the lights dim or flicker, check the power connection.
- **General Care:** Avoid placing extremely hot or cold items directly on the surface without coasters. Do not drag heavy objects across the surface to prevent scratches.

7. TROUBLESHOOTING

If you encounter any issues with your VINGLI LED TV Stand, please refer to the following troubleshooting tips:

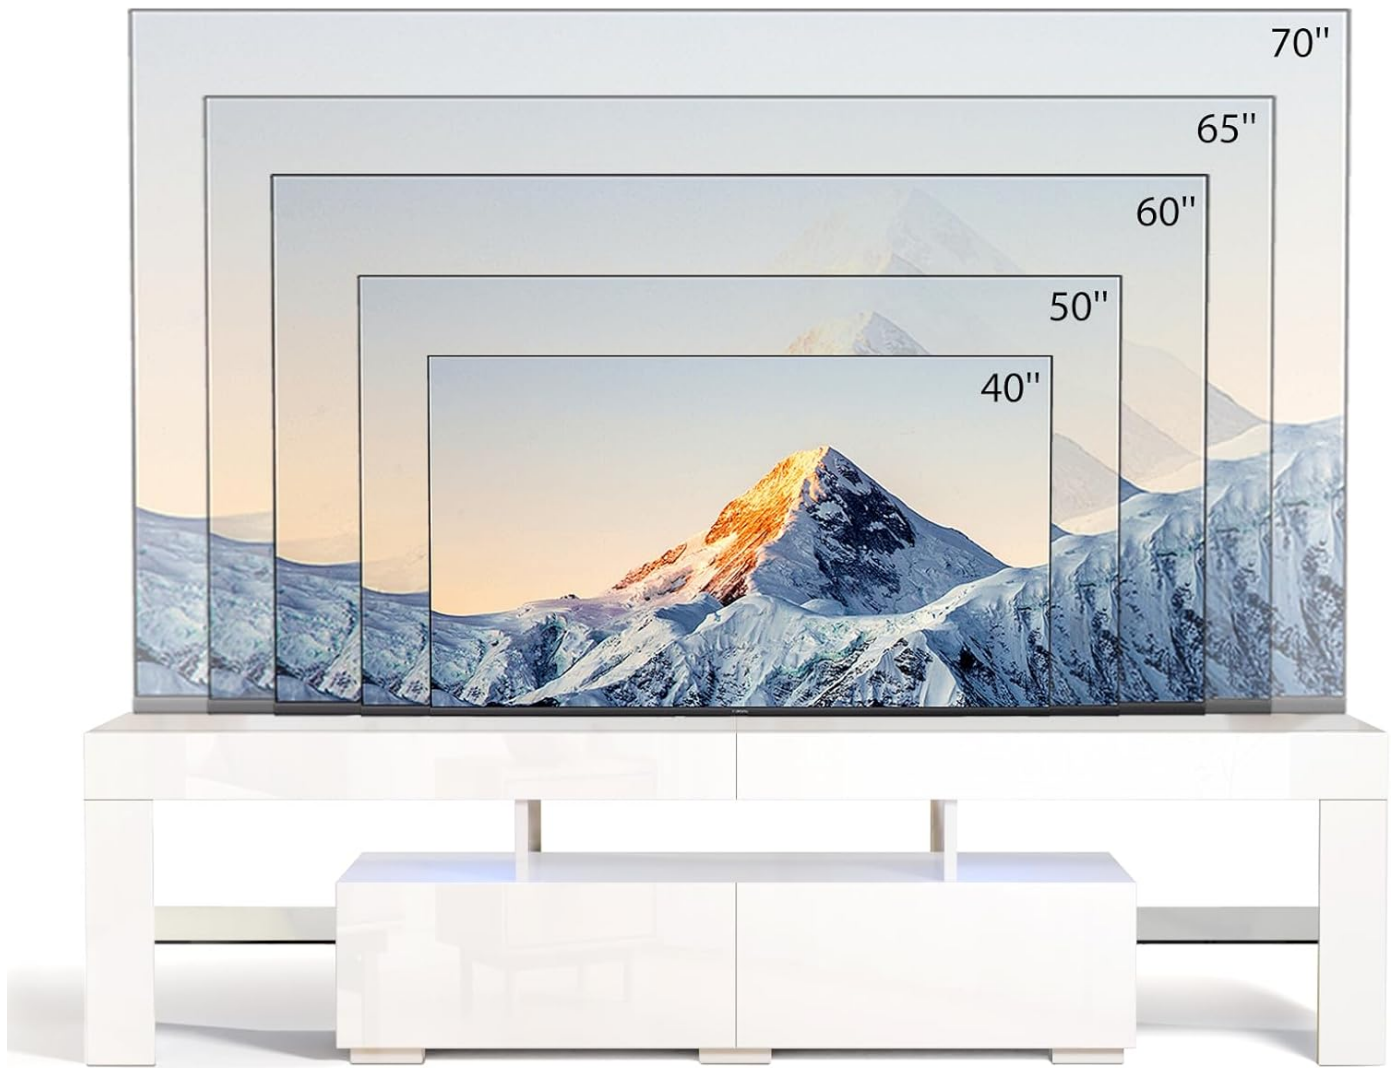

Problem	Possible Cause	Solution
LED lights not working	Loose connection, power outage, remote battery dead	Check all cable connections. Ensure power outlet is functional. Replace remote battery.
Drawers not closing smoothly	Misaligned slides, obstruction, loose hardware	Check drawer slide alignment. Remove any obstructions. Tighten all drawer hardware.

Problem	Possible Cause	Solution
Stand feels wobbly/unstable	Loose assembly hardware, uneven floor	Retighten all assembly screws. Ensure the stand is on a level surface.
Scratches on surface	Improper handling, abrasive cleaning	Use soft cloths for cleaning. Avoid dragging objects. Minor scratches may be buffed with specialized products (consult a professional).

If the problem persists after attempting these solutions, please contact VINGLI customer support for further assistance.
