### KLARSTEIN HEA-Brooklyn-36Wh

# Klarstein Brooklyn Mini-Bar Instruction Manual

Model: HEA-Brooklyn-36Wh

Brand: KLARSTEIN

## PRODUCT OVERVIEW

The Klarstein Brooklyn Mini-Bar is a compact thermoelectric cooling system designed for small households, guest rooms, party spaces, offices, or garden houses. It offers a quiet operation and efficient cooling for beverages and snacks.

Image: The Klarstein Brooklyn Mini-Bar in white, showcasing its compact design and interior capacity filled with various beverages. The transparent glass door allows for easy viewing of contents.

### Key Features:

- **Compact Size:** Space-saving design ideal for various small environments.
- **Silent Operation:** Thermoelectric cooling system with 0 dB operating noise.
- **Adjustable Cooling:** 3 cooling levels for temperatures between 12°C and 15°C.
- **Generous Capacity:** 32 liters of storage space.
- **Internal LED Lighting:** Cool white LED light for clear visibility of contents.
- **EcoExcellence System:** Energy-efficient and environmentally friendly operation.

### IMPORTANT SAFETY INSTRUCTIONS

Please read all safety instructions carefully before operating the appliance. Failure to follow these instructions may result in electric shock, fire, or property damage.

- Ensure the power supply voltage matches the rating label on the appliance.
- Do not block ventilation openings. Maintain adequate space around the unit for proper air circulation.
- Do not use electrical appliances inside the food storage compartments unless they are of the type recommended by the manufacturer.
- Keep the appliance away from direct sunlight and heat sources.
- Do not store explosive substances such as aerosol cans with a flammable propellant in this appliance.
- Unplug the appliance before cleaning or performing maintenance.
- This appliance is intended for household use only.

## SETUP AND INSTALLATION

### Unpacking:

1. Carefully remove the appliance from its packaging.
2. Remove all packing materials, including foam and adhesive tape.
3. Inspect the appliance for any damage. If damaged, do not operate and contact customer support.

### Placement:

- Place the mini-bar on a flat, stable surface.
- Ensure there is sufficient space around the unit for proper ventilation (at least 10 cm on sides and back).
- Avoid placing the unit near heat sources or in direct sunlight.
- The appliance has height-adjustable feet to compensate for unevenness in the floor. Adjust as needed.

### Door Hinge Reversal (Optional):

The door hinge is set to the right by default but is reversible. Refer to the detailed diagram in the full manual for instructions on how to reverse the door swing if desired.

### Initial Operation:

After placement, allow the appliance to stand upright for at least 2-4 hours before plugging it in. This allows the refrigerant to settle.

Plug the power cord into a grounded electrical outlet. The internal LED light will illuminate when the door is opened.

## OPERATING INSTRUCTIONS

### Temperature Control:

The Klarstein Brooklyn Mini-Bar features a 3-stage cooling system. The temperature can be adjusted to achieve cooling between 12°C and 15°C. The control dial is typically located at the back or inside the unit. Turn the dial to select the desired cooling level.

### Loading the Mini-Bar:

- The mini-bar has a capacity of 32 liters.
- Utilize the internal plastic floor and grid insert for organized storage. The grid insert dimensions are approximately 31 x 16 cm (WxD).

- Avoid overloading the unit, as this can hinder air circulation and cooling efficiency.
- The cool white LED lighting provides excellent visibility of contents when the door is open.

## MAINTENANCE AND CLEANING

### Cleaning the Interior:

1. Always unplug the mini-bar before cleaning.
2. Wipe the interior surfaces with a soft cloth dampened with a mild detergent solution.
3. For stubborn stains, use a baking soda solution (2 tablespoons baking soda to 1 quart warm water).
4. Rinse with clean water and dry thoroughly.
5. The plastic floor and grid insert are removable for easy cleaning.

### Cleaning the Exterior:

- Wipe the exterior with a soft, damp cloth.
- Do not use abrasive cleaners or solvents, as they may damage the surface.
- Clean the glass door with a glass cleaner.

### Defrosting:

This appliance features manual defrost. If ice buildup occurs, unplug the unit and allow the ice to melt naturally. Place a towel at the bottom to absorb water. Once defrosted, clean and dry the interior before plugging it back in.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Appliance does not operate.	No power supply; Plug not properly inserted; Circuit breaker tripped.	Check power outlet; Ensure plug is firmly inserted; Reset circuit breaker.
Temperature is not cold enough.	Temperature setting too high; Door not closed properly; Overloaded with items; Poor ventilation.	Adjust temperature setting lower; Ensure door is sealed; Reduce contents; Ensure adequate space around unit.
Unusual noise.	Appliance not level; Items inside are rattling.	Adjust leveling feet; Rearrange items inside.
Water on floor/inside.	Door left open; High humidity; Defrosting.	Ensure door is closed; This is normal during defrosting.
LED light not working.	Light bulb failure (if replaceable); Electrical issue.	Contact customer support for assistance.
Appliance takes long to cool.	First use; High ambient temperature; Door opened frequently.	Allow several hours for initial cooling; Reduce door openings.

## SPECIFICATIONS

<b>Brand:</b>	KLARSTEIN
<b>Model Number:</b>	10035225 (HEA-Brooklyn-36Wh)
<b>Capacity:</b>	32 Liters
<b>Dimensions (WxHxD):</b>	Approx. 38 x 47 x 44.5 cm (14.96 x 14.96 x 18.5 inches)
<b>Interior Size (WxHxD):</b>	Approx. 31 x 41.5 x 27 cm
<b>Item Weight:</b>	Approx. 10.5 kg (24.2 pounds)
<b>Operating Noise:</b>	0 dB
<b>Cooling System:</b>	Thermoelectric
<b>Temperature Range:</b>	12°C to 15°C (3-stage adjustable)
<b>Power Consumption:</b>	65 W
<b>Voltage:</b>	220-320 V ~   50/60 Hz
<b>Defrost System:</b>	Manual
<b>Door Hinge:</b>	Right (interchangeable)
<b>Color:</b>	White
<b>Energy Efficiency Class:</b>	F
