## 6. MAINTENANCE

- Regularly wipe the desktop surface with a soft, damp cloth. Avoid abrasive cleaners.
- Check all screws and bolts periodically to ensure they remain tight. Retighten if necessary.
- Keep the desk away from direct sunlight and extreme temperatures to prevent material damage.
- Avoid placing hot items directly on the desktop without protective padding.

## 7. TROUBLESHOOTING

### 7.1 Desk Wobbles

- Ensure the desk is on a flat, level surface.
- Check all assembly screws and bolts. Tighten any loose connections.
- Verify that the Z-shaped legs are correctly installed and secured.

### 7.2 USB Ports Not Functioning

- Ensure the USB cable from the gaming handle rack is properly connected to a power source (e.g., your PC or a USB wall adapter).
- Test with a different USB device to confirm the port functionality.
