## 2. SAFETY INFORMATION

---

Please read and adhere to the following safety guidelines to ensure proper use of the product:

- **For external use only.** Do not ingest.
- Avoid direct contact with eyes. If product gets into eyes, rinse well with water immediately.
- Keep out of reach of children.
- If signs of irritation or rash appear, discontinue use immediately and consult a medical professional.
- This product is flammable. Keep away from fire, open flames, and high heat sources. Store in a cool, dry place.

## 3. USAGE INSTRUCTIONS

---

For optimal and long-lasting fragrance, follow these application instructions:

1. **Prepare Skin:** For best results, apply perfume to clean, moisturized skin.
2. **Identify Pulse Points:** Fragrance diffuses best when applied to pulse points where the body heat is higher. These include the neck, wrists, behind the ears, inside the elbows, behind the knees, and ankle joints.

- Application:** Hold the bottle approximately 5-7 inches (12-18 cm) away from your skin and spray 1-2 times onto your chosen pulse points. Do not rub the fragrance into your skin, as this can break down the scent molecules and alter the fragrance.
- Layering (Optional):** For a more intense and prolonged scent, consider layering with unscented body lotion or a matching scented product from the MINISO Dazzle range.

## 4. PRODUCT CARE AND STORAGE

---

To maintain the quality and longevity of your MINISO Dazzle EDT, follow these care and storage recommendations:

- **Storage Location:** Store the perfume in a cool, dry place, away from direct sunlight and extreme temperatures. Heat and light can degrade the fragrance over time.
- **Keep Cap Secure:** Always ensure the cap is tightly closed after each use to prevent evaporation and contamination.
- **Avoid Humidity:** Do not store in humid environments like bathrooms, as humidity can also affect the fragrance composition.

- **Sprayer Malfunction:** If the sprayer is not working, check for any blockages. If the issue persists, contact customer support.
