Speedo ST62050

Speedo ST62050 Men's Jammer Swimsuit Instruction Manual

Model: ST62050

1. INTRODUCTION

This manual provides essential information for the proper use and care of your Speedo ST62050 Men's Jammer Swimsuit. Designed for daily training and competition, this jammer offers durability, comfort, and performance. Please read these instructions carefully to ensure optimal product longevity and satisfaction.

2. PRODUCT OVERVIEW

The Speedo ST62050 Men's Jammer is part of the Turns practice swimwear collection, engineered for swimmers who train regularly.

- **Material:** Constructed from highly chlorine-resistant and 4-way stretch fabric, ensuring durability and flexibility for daily training. The material is designed to be opaque and soft.
- **Eco-Friendly:** Features SOLOTEX(R), a plant-based composite fiber, contributing to environmental sustainability.
- **Design:** Above-knee leg length (quarter-length) with a lined back for comfort and support. Includes a Speedo logo and a distinctive switching design on the back.
- **Color:** Flash Yellow accents on a primary black design.

3. SETUP AND SIZING

To ensure the best fit and performance, select the correct size for your body. Swim jammers should fit snugly to reduce drag and provide support without restricting movement.

3.1. How to Wear

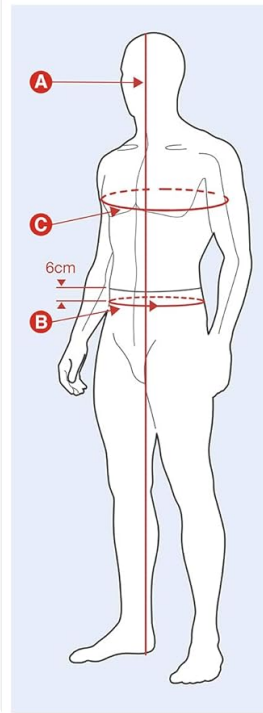

1. Ensure the jammer is oriented correctly with the front facing forward.
2. Pull the jammer up over your legs, ensuring the fabric is evenly distributed and smooth against your skin.
3. Adjust the waistband for a comfortable and secure fit. The drawstring, if present, can be tied to further secure the jammer.

3.2. Sizing Guide

Refer to the size chart below to determine your appropriate size. Measurements typically include height, waist, and chest circumference.

Size Chart

4. OPERATING (USAGE)

The Speedo ST62050 Jammer is designed for swimming activities, including competitive training and recreational use.

- **Performance:** The 4-way stretch fabric allows for unrestricted movement in the water, while the snug fit minimizes drag.
- **Chlorine Resistance:** The highly chlorine-resistant material ensures the jammer maintains its integrity and color even with frequent exposure to chlorinated pool water.
- **Comfort:** The soft texture and lined back provide enhanced comfort during extended periods of wear.

5. MAINTENANCE AND CARE

Proper care will extend the life and maintain the performance of your Speedo jammer.

1. **Rinse Immediately:** After each use, rinse your jammer thoroughly in cold, fresh water to remove chlorine, salt, and body oils.
2. **Hand Wash:** Hand wash with a mild soap or swimwear-specific detergent. Avoid harsh detergents, bleach, or fabric softeners, as these can damage the fabric.
3. **Do Not Wring:** Gently squeeze out excess water. Do not wring or twist the fabric, as this can stretch and damage the material.
4. **Air Dry:** Lay flat or hang to dry in a shaded, well-ventilated area. Avoid direct sunlight and heat sources (like radiators or tumble dryers), as these can cause fading and material degradation.
5. **Storage:** Store your dry jammer in a cool, dry place.
6. **Avoid Rough Surfaces:** Be mindful of rough surfaces (e.g., pool decks, benches) that can snag or abrade the fabric.

6. TROUBLESHOOTING

Most issues with swimwear relate to fit or material degradation due to improper care.

- **Poor Fit:** If the jammer feels too tight or too loose, refer to the sizing guide (Section 3.2) to ensure you have the correct size. A proper fit is crucial for comfort and performance.
- **Fabric Degradation/Fading:** This is often caused by prolonged exposure to chlorine without proper rinsing, or by using harsh chemicals during washing. Review the maintenance instructions (Section 5) to prevent future issues.
- **Snags/Tears:** Avoid contact with sharp objects or rough surfaces. While durable, the fabric can still be damaged by external factors.

7. SPECIFICATIONS

Feature	Detail
Model Number	ST62050
Brand	Speedo
Material Type	Polyester, ENDURANCE SP (Composites (Polyester), 35% Polyester)
Fabric Type	ENDURANCE SP
