GoCube RBE-001-CC

GoCube The Original Rubik's Connected 3x3 Smart Cube

Model: RBE-001-CC

INTRODUCTION

The GoCube The Original Rubik's Connected is an innovative app-enabled 3x3 smart magnetic speed cube. It connects to your smartphone or tablet via Bluetooth, offering an interactive experience to learn, play, improve, and compete in cube-solving. This manual provides essential information for setting up, operating, and maintaining your Rubik's Connected cube.

Video: An overview of The Original Rubik's Connected, demonstrating its interactive features and app integration.

SETUP

1. **Charge the Cube:** Before first use, fully charge your Rubik's Connected cube using the provided charging cable. The charging port is typically located on one of the center pieces.
2. **Install the App:** Download the official Rubik's Connected application from your device's app store (available for iOS and Android).
3. **Enable Bluetooth:** Ensure Bluetooth is activated on your smartphone or tablet.
4. **Pair the Cube:** Open the Rubik's Connected app and follow the on-screen instructions to pair your cube. For Android devices, you may need to activate location services for successful Bluetooth pairing.

OPERATING INSTRUCTIONS

The Rubik's Connected app offers various modes to enhance your cube-solving journey:

1. Learning with the Interactive Academy

The app features a step-by-step academy designed to teach users how to solve the Rubik's Cube in 7 simple steps. The app tracks your cube's orientation and moves in real-time, providing personalized guidance and troubleshooting support.

2. Interactive Play and Mini-Games

Engage with various mini-games and puzzles within the app. These activities are designed to make learning and practicing enjoyable, turning screen time into a quality educational experience.

3. Progress Tracking and Improvement

Monitor your progress with accurate statistics on your solve times and moves. The app helps you identify areas for improvement and sharpen your skills. Challenge yourself to improve your personal bests and climb the global leaderboard.

SPECIFICATIONS

Attribute	Detail
Product Dimensions	9.45 x 27.17 x 0.98 inches
Item Weight	3.93 ounces
Item Model Number	RBE-001-CC
Manufacturer Recommended Age	8 years and up

Batteries	1 Lithium Metal battery required
Language	English
Manufacturer	Particula LTD

WHAT'S IN THE BOX

- Digital Electronic Rubik's Cube
- Charging Cable (USB)

MAINTENANCE

- **Cleaning:** Wipe the cube with a soft, dry cloth to remove dust and fingerprints. Avoid using harsh chemicals or abrasive materials.
- **Battery Care:** To prolong battery life, avoid fully discharging the cube frequently. Store the cube in a cool, dry place away from extreme temperatures.
- **Storage:** When not in use, store the cube in its original packaging or a protective case to prevent damage.

TROUBLESHOOTING

- **Connectivity Issues:**
 - Ensure Bluetooth is enabled on your device.
 - For Android, verify location services are active.
 - Restart the app and your device.
 - Ensure the cube is charged.
- **App Not Tracking Correctly:**
 - Try re-syncing the cube within the app.
 - Ensure the cube's battery is not critically low.
- **Cube Not Turning Smoothly:**
 - The cube is designed for smooth turns. If you experience stiffness, ensure no foreign objects are obstructing movement.

For further assistance, refer to the troubleshooting section within the Rubik's Connected app or visit the manufacturer's support website.

WARRANTY AND SUPPORT

The GoCube Rubik's Connected is covered by a manufacturer's warranty. For detailed warranty information, product support, or to contact customer service, please refer to the official GoCube website or the support section within the Rubik's Connected application.

ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
