## SETUP AND INITIAL USE

Your Tom Ford HOLDEN FT 0818 sunglasses are ready for immediate use upon unboxing. No assembly is required.

1. **Unboxing:** Carefully remove the sunglasses from their protective case.
2. **Inspection:** Inspect the frames and lenses for any signs of damage from shipping.
3. **Fit Adjustment:** If the fit feels too loose or too tight, minor adjustments to the temples can be made by a qualified optician. Avoid attempting to bend the frame yourself to prevent damage.

## OPERATING INSTRUCTIONS

---

These sunglasses are designed to provide protection from harmful UV rays and reduce glare. They are suitable for general use in bright conditions.

- **UV Protection:** The lenses offer 100% UV protection, shielding your eyes from UVA and UVB rays.
- **Glare Reduction:** The brown gradient lenses help to reduce glare, improving visual comfort.
- **Proper Handling:** Always hold the sunglasses by the frame, not the lenses, to avoid smudges and scratches.

## CARE AND MAINTENANCE

---

Proper care will extend the life and maintain the appearance of your Tom Ford sunglasses.

- **Cleaning:** Use a soft, lint-free cloth (preferably the one provided with your sunglasses) to clean the lenses and frame. For stubborn smudges, use a specialized lens cleaning spray or mild soap and water. Avoid harsh chemicals or abrasive materials.
- **Storage:** When not in use, store your sunglasses in their original protective case to prevent scratches and damage. Avoid leaving them in direct sunlight or extreme temperatures, such as on a car dashboard, as this can warp the frame or damage the lens coatings.
- **Handling:** Do not place sunglasses face down on hard surfaces. Avoid wearing them on top of your head, as this can stretch the frame.
- **Care Instructions:** Hand Wash Only.

## **TROUBLESHOOTING**

---

Here are solutions to common issues you might encounter:

Issue	Possible Cause	Solution
Lenses appear smudged or dirty	Fingerprints, dust, or residue	Clean with a soft, lint-free cloth and lens cleaner or mild soap and water.
Sunglasses feel loose or slide down	Frame has stretched or temples are misaligned	Visit a qualified optician for professional adjustment.
Scratches on lenses	Improper cleaning or storage	Scratches cannot be removed. Prevent by always storing in the protective case and cleaning properly.
