# Graco Ready2Grow 2.0 Double Stroller Instruction Manual

Model: 2140042

## INTRODUCTION

---

This manual provides essential instructions for the safe assembly, operation, and maintenance of your Graco Ready2Grow 2.0 Double Stroller. Please read all instructions carefully before use and retain this manual for future reference. Failure to follow these instructions could result in serious injury or death.

## IMPORTANT SAFETY INFORMATION

---

**WARNING: To avoid serious injury, always secure your child with the harness. Never leave children unattended in the stroller. Always engage the brakes when the stroller is stationary. Do not overload the storage basket or attach items to the handle, as this may cause the stroller to become unstable.**

- Always use the 5-point harness system for each child.
- Ensure the stroller is fully open and locked before placing children inside.
- Do not use the stroller if any parts are damaged or missing.
- Maximum weight recommendation for each seat is 50 pounds.
- Maximum weight for the storage basket is 6 pounds.

## SETUP AND ASSEMBLY

---

The Graco Ready2Grow 2.0 Double Stroller is designed for easy setup. Minor adjustments such as attaching the canopy and cup holder may be required. Refer to the full user manual for detailed assembly steps.

## Folding and Unfolding

This stroller features a one-step, self-standing fold mechanism, allowing for compact storage and easy transport. To fold, ensure both children are removed from the stroller, then follow the instructions in your detailed manual. To unfold, release the locking mechanism and extend the frame until it clicks into place.

## OPERATING INSTRUCTIONS

The Ready2Grow 2.0 offers multiple seating configurations to adapt as your family grows.

### Seating Options

- **Two Stroller Seats:** Accommodates two children in traditional stroller seats.
- **Bench Seat:** The rear seat can be removed to convert into a bench seat for an older child.
- **Standing Platform:** An older child can stand on the integrated platform at the rear of the stroller.
- **Infant Car Seat Compatibility:** The stroller is compatible with all Graco infant car seats and can accept two at once, making it suitable for twins.

### Harness System

Each seating position is equipped with an adjustable 5-point harness to secure your child safely. Always ensure the harness is properly adjusted and fastened before moving the stroller.

### Rear Seat Positioning

The close-to-you rear seat design allows for easier interaction and connection with your baby.

## MAINTENANCE AND CARE

Regular maintenance ensures the longevity and safe operation of your stroller. For detailed cleaning instructions, refer to the complete user manual. Generally, fabric components made of polyester and Oxford cloth can be spot cleaned with mild soap and cold water. Metal frame components should be wiped clean with a damp cloth. Do not use abrasive cleaners.

## TROUBLESHOOTING

If you encounter any issues with your stroller, please consult the troubleshooting section in your full user manual. Common issues often relate to assembly, folding mechanisms, or wheel function. Ensure all locking mechanisms are engaged and wheels are free of debris. If problems persist, contact Graco customer support.
