xdobo X8

XDOBO X8 Portable Bluetooth Speaker User Manual

Model: X8

1. Introduction

Thank you for choosing the XDOBO X8 Portable Bluetooth Speaker. This manual provides detailed instructions for setting up, operating, and maintaining your speaker to ensure optimal performance and longevity. Please read this manual thoroughly before using the product.
The XDOBO X8 is a versatile 60W outdoor speaker designed to deliver 360° HD surround sound with rich stereo bass. It features Bluetooth 5.0 connectivity, a 6600mAh battery for extended playtime, and is waterproof for outdoor use.

2. Safety Information

- Do not expose the speaker to extreme temperatures (hot or cold).
- Keep the speaker away from direct sunlight and heat sources.
- Ensure the port cover is securely closed when using the speaker near water to maintain its waterproof rating.
- Do not attempt to disassemble, repair, or modify the speaker yourself. This will void the warranty and may cause damage or injury.
- Use only the provided charging cable and a certified power adapter.
- Avoid dropping or subjecting the speaker to strong impacts.

3. Package Contents

Upon opening the package, please verify that all items listed below are included:

- XDOBO X8 Speaker x1
- User Manual x1
- Audio Line x1
- Type-C Data Line x1
- Carrying strap x1

4. Setup

4.1 Charging the Speaker

Before first use, fully charge the speaker. Connect the provided Type-C data cable to the speaker's charging port and the other end to a USB power adapter (not included). The charging indicator light will show the charging status.

Figure 4.1: XDOBO X8 Battery and Power Information

The speaker is equipped with a 6600mAh rechargeable battery, providing up to 15 hours of playtime at 50% volume. Full charging typically takes 3 hours.

4.2 Powering On/Off

To power on the speaker, press and hold the power button () located on the top panel until you hear an audible prompt. To power off, press and hold the power button again.

4.4 True Wireless Stereo (TWS) Pairing

For an enhanced stereo experience, you can pair two XDOBO X8 speakers together:

1. Ensure both X8 speakers are powered off and not connected to any Bluetooth device.
2. Power on both speakers.
3. On one of the speakers (this will become the main speaker), double-press the power button. The speaker will enter TWS pairing mode.
4. The speakers will automatically connect to each other. You will hear a "beep beep" sound from the main speaker once TWS pairing is successful.
5. Now, connect your device to the main speaker via Bluetooth. Both speakers will play audio in stereo.

5. Operating the Speaker

5.1 Button Functions

The top panel of the XDOBO X8 speaker features several control buttons:

- **Power Button ( ):** Press and hold to power on/off.
- **Mode Button (M):** Short press to switch between Bluetooth, TF Card, and AUX modes.
- **Play/Pause Button (▶‖):** Short press to play or pause music.
- **Volume Down (-):** Short press to decrease volume. Press and hold for previous track.
- **Volume Up (+):** Short press to increase volume. Press and hold for next track.
- **Voice Assistant Button ( ):** Short press to activate your device's voice assistant.

5.2 Connectivity Options

The XDOBO X8 offers multiple ways to connect your audio sources:

- **Bluetooth 5.0:** Provides a stable and fast wireless connection with a range of up to 10 meters.
- **TF Card Slot:** Insert a micro SD card (up to 16GB) directly into the speaker to play audio files.
- **3.5mm AUX Input:** Connect devices without Bluetooth using the provided audio line.
- **Type-C USB Port:** Used for charging the speaker.

Figure 5.2: XDOBO X8 Connectivity Ports

5.3 Voice Assistant

Activate your Bluetooth device's voice assistant (e.g., Siri, Google Assistant) by short pressing the microphone button ◊ on the speaker. You can then speak commands through the speaker's built-in high-definition microphone.

Figure 5.3: Voice Assistant Activation

5.4 Hands-Free Calling

When connected via Bluetooth, the built-in microphone allows you to answer incoming calls hands-free. Press the Play/Pause button (▶‖) to answer or end a call.

5.5 Sound Modes

The XDOBO X8 features a Tri-bass effect for an enhanced listening experience, including Extra Bass, 3D Deep Bass, and Vocal modes. Use the Mode button (M) to cycle through these sound profiles.

6. Maintenance

- **Cleaning:** Use a soft, dry cloth to clean the speaker's surface. Do not use abrasive cleaners or solvents.
- **Waterproof Feature:** The XDOBO X8 is IPX7 waterproof, meaning it can withstand splashes and water jets. Ensure the rubber cover for the ports is tightly sealed before exposing the speaker to water. Do not submerge the speaker for extended periods.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures when not in

use. If storing for a long period, charge the battery every 3 months to prolong its lifespan.

7. Troubleshooting

Problem	Possible Cause	Solution
Speaker does not power on.	Low battery.	Charge the speaker fully.
Cannot pair via Bluetooth.	Speaker is not in pairing mode; device Bluetooth is off; too far from device.	Ensure speaker is in pairing mode (blinking blue light). Turn on device Bluetooth. Move speaker closer to device (within 10m). Forget "X8" on your device and try pairing again.
No sound or low volume.	Volume too low on speaker or device; incorrect mode selected.	Increase volume on both speaker and connected device. Press 'M' button to ensure correct input mode (Bluetooth, TF, AUX).
TWS pairing fails.	Speakers already connected to a device; incorrect pairing steps.	Ensure both speakers are disconnected from any Bluetooth devices. Follow TWS pairing steps precisely (Section 4.4).
Sound distortion.	Volume too high; low battery.	Decrease volume. Charge the speaker.
